

#77 Creatures of Habit

We're all creatures of habit... some good... lots bad.
The good ones give our Father joy, the bad makes Him sad.
But it's **not** that the bad habits are enough to make Him say...
I've taught you I FORGIVE WITH UNENDING MERCY...**but not today** !!!

I've had enough!!! You're sins are too great!!!
You worshipped a false idol **and now it's too late**
Because what you've done in your body has brought it to death's door
And this day I require your life. You can continue on like this no more.

YOUR blood is required for the payment of sin.
Your judgment is torment without end - **let hell begin!**
And I will give you forever to say, " I should of, I would of, I could of
Chosen Jesus and changed my eternal destiny ***myself*** from this hell to
Heaven above."

We're all creatures of habit and this spirit of wrath has been misdirected
To punish our souls without remedy from **a darkened mindset not yet
Resurrected**
Into the only thing there is without beginning or without end...
Life after the judgment, a consciousness of sin which we cannot defend

Without admitting it must lie deep within our own heart
And confessing to God that deeper down I pray it will depart. 1 Cor. 14:25
Now this is where the new habit is to begin;
That God ***created you*** and **all** men **for Jesus** not to lose **but win**

In His victory over the **second death** when by God's power He rose
And took the keys of hell and death to set free all God chose
From before time was when His plan was already set
Jesus will be the fisher of men ***and not one will fall out of the net!***

Yet the net will appear to have found a bigger catch
Than one such gathering into the boat could match
So the lesson is that there are always more to be caught.
Love never ends when it comes to saving souls that are at aught

Luke 5:7

#77 Creatures of Habit

With the spirit of unselfishness, the willingness to suffer. 1 Peter 2:19, 20
The foolishness of fools, between a Holy God and evil men - love will
Buffer 2 Peter 3:15
The effect of the law would of, could of, and should have had on my
Spirit Deut. 31:26, 27
Had not **Love's Spirit of FORGIVENESS** been given me and my mind able
To hear it.

For a father's love for his children can only be lived out Matt. 23:23
After the child has been ***shown by mercy given*** upon himself ***what***
Love's all about.

Judgment is used **to bring the wayward back in line**
Until one figures out at which table one would rather dine.

At the table of the world and self and unbelief - which is sin
Set before us by God for us to daily choose which habits will win
And show their fruit through actions and wills to prove
If I'm in charge of what on earth and in heaven gets moved.

Or at the table set before us by the **Spirit of Grace and Love**
That knows the future but operates in time like a hand in a glove.
The glove actually touches the creation supplied by God for us to change
But time and love direct the action so that only God will ultimately
Arrange

All circumstances to eventually show God's glory.
He created all things for us to see this story.
Love for your fellow man goes way beyond what you can do
But with God all things are possible AND I KNOW THIS IS TRUE!

There's no greater proof of love that a man lay down his life John 15:13
For another that is at that moment in time unable to use the knife
And cut away his own sin nature and so not be dragged down by it.
This is the picture of our unwise choices leading us into the pit

#77 Creatures of Habit

That has **no fulfillment** but to burn up sinful habits destroying life itself
And us **ALL** to be transformed like the smoke rising up forever with new
Health

Set free from the sins that so easily beset us Heb. 12:1
Like the prayers that enter God's throne room with thanksgiving and
Praise for Jesus.

Prayers that will good unto all men so their sins may be forgiven
As Jesus did from the cross three days before He was risen
And ascended to sit at the right hand of the Father to judge all
And to make sure that **all eventually respond** to God's call 2Peter 3:9

Unto repentance of all sin through the revelation of the light Rom.2:4
That you're going to lose out on God's best if you don't do what's right
And walk in all humbleness knowing you deserve God's wrath James 4:6
And thank God & love Him for intimately correcting your path Prov.3:12

That was headed for destruction - which is certainly an **idiom**.
A warning to prophesy that we should act like *Gideon*
A man of valor - in God's eye - who saw the end as it is.
To the blinded spirit, time is an enemy because he doesn't know the
Promises of God are his

And has **no vision** to see the victory **won by Jesus at every point**.
He wins by showing wrath with the law such as so to faithfully anoint
EACH MAN with the oil of The Holy Spirit *IN ORDER TO* uncover his very
Own sin.

To **impute** righteousness unto **ALL SINNERS** to show us **GOD'S HABIT
TO WIN !!!**
