

#83 The Saddest Thing

The saddest thing that God has to endure
Is that so many people don't believe Jesus' blood is the cure
To the **UNIVERSE'S biggest problem. The sin of disbelief**
Which keeps the carnal mind in the torture of **Hell's** grief.

Our Father cries as Jesus did when compassion overflowed
When He was walking among His unbelieving creation; especially when
He showed Luke 10:36-37
Those near enough to Him to see that only in Him is true life. 1Cor. 2:7-16
All who came were healed of their specific ills because of the knife
Luke 6:17-19

Edge of the Sword of the Spirit of Truth that it is one's own choice
Of words that make it out of our mouths so to which spirit we give voice
Job 33:1-4 Deut. 30:14-20
From our heart at that moment. Proof of if we're experiencing the flesh
Or Spirit. Prov. 10:6, 11-13
The humbling part is that whoever's near enough to us will be effected if
They hear it. Isa. 2:11&17

Now, if I see this situation dishonors God somehow and it makes me
Break down and cry
It's like God's crying picture in nature when rain falls from the darkened
Sky.
He speaks of the former rain and a latter rain that will pour
Jer. 5:24 Joel 2:23, 3:2
Out **His Spirit** and flood His entire garden with Love...this time with
Grace the door

To faithful eyes which see thru His creative ways how He shows His
Character to His flock. 1 Cor. 2:7-16
It's God's Glory to hide things; but the honor of kings is to search it out
And not mock Prov. 25:2
The way He's working His plan out in everyone else...and especially in
My own talk Jer. 29:11
Because my brief time in this testing body is to show God and **All** if it
Matches my walk 2 Cor. 4:17-18

#83 The Saddest Thing

This glorious Garden of Eden is my soul in which He's planted

The Seed of Faith - a measure given to ALL MEN - granted.

2 Cor. 10:13

But the seed falling from the tree; getting buried in earth; being watered
And lifted up

As a brand new tree is His Picture of Life to any who drink of His cup.

Adam - made from the Earth was destroyed in Noah's day

Except for the family of 8 in Faith who spent 120 years keeping disbelief

At bay

1 Peter 3:16-20

As they were mocked and ridiculed for building such a thing

As an Ark - which symbolizes our relationship with Jesus during our

"Spring,

1 Peter 3:21-22

Summer, fall and winter" with our carnal nature buried in snow.

1 Peter 4:1-2

But the pattern is Spring returns and seeds looking dead to the world

Rise to show

God always has a way - a "**First Fruit**" of new life which always blooms

When we understand it's His joy to be patient with sinners while He

Grooms

US ALL into His Glory which is why He loves and created us for.

1 Cor. 6:19-20

He keeps knocking and knocks even right up to one's own death door

To humble each soul - even at that moment rightly justified to be

Forgiven by Jesus' shed blood

Which is the new picture of God covering ALL SINS during the flood.

Those eight in the Ark chose early to walk in belief and were saved

From the whole process of this quick destruction of ALL who misbehaved.

1 Cor. 5:5

Our Apostle Paul said the whole body may be delivered for destruction

So the soul may be kept.

2 Cor. 4:16

THIS is the saddest thing that filled Jesus' heart so with compassion that

He wept.

John 11:35

#83 The Saddest Thing

His Spirit grieved because they understood not that He IS
The Resurrection and The Life standing right in front of us but only vis-
Able to whosoever He's chosen **at that moment** to enlighten
That He'll guide **All LOST men back to the Truth**...even if He has to
Frighten

Them back! With Hell's threat?? ONLY BY one who doesn't understand
The **purpose of judgment is to correct the wild child** so he'll surely land
1 Cor. 2:10-16

Back in God's hand...safe and secure again - **BECAUSE LOVE - LOVES ! ! !**
Heb.10:6

And **DOESN'T GIVE UP** because the child's rebellion constantly shoves
See O.T. Israel and Judah

His corrective hand away...only to take the SAME TEST again!
His desire is to spread His wings and protect us like a mother hen
Matt. 23:27 Luke 13:34

But we run around the barnyard like chickens with their heads cut off
And sometimes into the street
Where we're in imminent danger of our sure sudden destruction to
Meet.
Col. 3:25

So many pictures & patterns God shows His kids of His way Heb.9:22-23
To be the hero who rescues the distressed maiden and saves the day.
New life always returns because the life is secure in its seeds Gen. 1:11-12
Which are always kept by God Himself to glorify Himself providing our
Needs

His tool - the church of Truth and Spirit that provides itself as servant
John 4:23-24
Only this group will wash the feet of the dusty road's entrant Luke 9:5-6
Into the house of the Lord of the brotherhood of Forgiveness and Mercy
That understand that God's still working on them so they'll eventually be
ALL of 1 Cor.

#83 The Saddest Thing

The finished product of God's effort to expand His Glorious Kingdom.

Rom.8:1-8

This Kingdom means a king rules and has followers to which He's
Brought 'um

Other lost sheep like **ALL MEN ARE until** He also saves them **by Grace**.

Heb. 10:1-22

That's the ONLY WAY because the Law makes nothing perfect in this Human Race.

Heb. 7:16, 19

And the saddest thing to choose to endure

Is to stay bound to a married partner who looks to any other cure
That's personal to each person - we have IDOLS we cherish more
Than Christ's Way and it's His pleasure to show us the door

To Hell - where only fools walk into because the prouder and taller they
Stand

The harder they'll fall - another lesson we've been taught - that we'll
Land

John 3:27

Flat on our butts where pride will take the biggest hit.

The cushioned areas on our physical body designed to absorb judgment
As a loving Father sees fit.

Another picture of His brilliant design to bring my life good

As a child I felt it from my school principal and his paddle of wood
Right on this soft spot to sting but in no way harms.

The pain we cause ourselves when we try to pull out of God's arms.

My father in the flesh was like the picture of my Father above.

He spanked me with a whip when necessary to discipline with the iron
Glove.

Again... the picture of Power of He who rules

Who's **NOT WILLING** that **ANY PERISH BUT ALL COME TO REPENTANCE**

And be the jewels

2 Pet.3:9

#83 The Saddest Thing

ON Jesus' crown of Righteousness God's Spirit has provided. 2 Tim. 2:4-5
His inheritance - **ALL** ISRAEL - **ALL** UNBELIEVERS in **SOME** aspect
Highlighted **Rom. 11:26-32**

As Jesus said would happen - we'd see twigs as logs in other eyes but
Think the log was but a twig in our own!

Come on now! Does your spiritual eye *finally* see after that last bone

Luke 6:42

I've thrown you - that **ALL** MEN ARE CREATED EQUAL IN **GOD'S** MIND.
The thing to always remember as a disciple is that ***it's a personal time***
For each to find

That what the false church preaches - that what's available for "
Christians" to cherish

**Is never taken away from anyone so in their conclusion - they won't
Perish**

But be transformed in the twinkling of an eye. 1 Cor. 15:52
Quicker than lightning flashing across the night sky. Matt. 24:27 Luke 17:24
Yet another picture of God lighting up dark souls
With flashes of insight that there's an end to the night when the bell
Tolls,

And at that time "old" ears **will now hear** the call to repent and now live
In as many gifts as you believe **He's given you to now give**
Back to the broken hearted and widows and those in prison.
Another picture word story to spread the gospel that He's Risen

And **has** the "**keys**" to "**Hell**" and "**death**". No longer Satan in total
Charge. Rev. 1:18

This ***personal revelation*** of the ***Power*** and ***Life of Jesus is so large***
That knowledge is easy to those who understand these pictures.

See "***Understanding***" in Book of Prov. & (14:6)

**Wisdom and Love and Righteous Judgment means ALL SOULS will be
VICTORS ! ! !**
