

I Demand My Rights

I demand my “rights”. What an ignorant saying.

What “rights” do you think you own and what game are you playing?

Who made **YOU God** over how others should act towards you?

I’ll tell you exactly - it’s the **god** of this world - **Satan**. That’s who.

The problem with writing anything down on paper or on stone

Is there has to be an authority that talks and someone who’s already Grown

From a child into a man and has matured in mind and spirit

So when the **Holy Spirit** communicates - this “**One New Man**” will hear It.

So the problem is that no matter what gets written down;

If the reader isn’t in tune with the ONLY FREQUENCY on which the Message can be found

It’ll go in one ear and out the other without an effect at all.

So only when one understands **WISDOM** will one answer the **shepherd’s** Call.

And it’s so easy that a child will accept and believe it to be so

Because the young mind is like a sponge designed to assimilate water And grow.

But the child must be taught that there is also a **counterfeit** voice

That constantly drives the immature mind to question **God’s** choice

Of how each moment in time should be arranged and played

And especially **WHO’S** conducting...**God**...or some **god** which has swayed

You away and formed a musical band (**religion**) of his own to sing out

(False doctrines) his “rights”.

The written word has recorded that this **god** is **Satan** - the causer of Carnal based fights

When the **god (self)** demands **God (JESUS)** to make things so;

So **self** will be comforted and if anyone doesn’t like it they can go

Right to **Hell** because of the spirit that voices “**I’m** the boss and what **I** Say goes”.

It’s **my “right”** to choose & **my** life is most important to **me**...& it shows

I Demand My Rights

In actions and words that kills a friendly spirit in others in order to lift **Oneself** up.

Always is done by degrading others with the condemnation cup
And fills it a with carnal generated wrath thinking one is doing **God's**
Will.

The **spirit of pride**...the same **god** that **Saul** of Tarsus **had** (a legalistic
Jew of the Jews) is alive and **kicking still**.

A child must learn he has **NO** "RIGHTS" except those graciously given
By the parents who share in the direction he should be driven.

Now this is deep here, so I hope you won't be drowned.

The **Father is Spirit**; the **Mother** is **the body** through which **TRUTH** is
Found.

God our Father is the giver of life who breathed into the clay
He formed from the **dirt - Adam** - the **1st** man - the body of today.

But the **2nd Adam - JESUS** - dwells in a place **not made** by hands.

God is Spirit and **to put off** this old carnal nature is the **first one heard**
Of God's constant commands.

What He commands is that you **love Him** and **Agape ALL** others
Which can't come from the carnal spirit that **desires to stone** your
Brothers

As punishment **deserved** from the **written law** purposed to cause **ALL to**
Die.

EXCEPT JESUS of course; God Himself come to save ALL MEN. NO LIE !!

ONLY **JESUS** walked perfect according to the law - thus won

The legal ownership back after the **1st Adam's** purpose was done.

God's chosen vessel and way to breathe life into the earth - **YOU**.

Now here's the "**rights**" you now will be taught to teach others & to do.

I Demand My Rights

Now these “rights” can only be done with **Agape Love** as its **power**.
The 1st “right” is that of choosing now **to forgive** so our disposition will
Be **sweet** not **sour**.

This is what Jesus did for ALL men by FREELY OFFERING HIMSELF for Sinners

And RIGHTEOUSNESS ACCEPTING it and according to His PROMISE Transforming us losers into winners!

So the opposite of this right would be the wrong thing to do.
That would be refusing to forgive - making the prisoner - **YOU!**
Holding the opposite mindset of **God** puts **YOU** in **HELL** - the **KEY** is to
KNOW your dad.

He always forgives but uses punishment to bring about an ending
Making everyone glad

That He’s the Conductor of the “**Love Unlimited Orchestra**” - **His Preachers**

That sing out the “**Good News**” that men are more than just **God’s**
Creatures

That He’s NOT given **MORE POWER to choose death** over life than their
Loving maker

Who’s **Spirit** has **conquered ALL** - including death - **although many are a Partaker**

Of the path in which no light will be seen if you think you are “The Man”.

Like **Saul**, you’ll get knocked off your high horse and land flat on your
Can

And **God WILL SHOW HIMSELF** to you **after** you’ve been **totally Humbled**.

This happens only after hours and hours in which you yelled at **God** and
Grumbled

I Demand My Rights

That your “rights” were violated - child remember **WISDOM** is our guide
That will bring you back down to earth after you’ve seen you’re pride
Has died.

God has given us power to become “Sons of God” if we so choose.
He also gives us the power to choose death *but it doesn't mean God
Will lose*

Your eternal soul - dear sweet child and my brother in **Christ** *be secure
In the fact*

In Ephesians **God** gave us **17** things over which His *redemptive Will* has
Never lacked

The **POWER** to have victory - **17 - it's biblical #** - another sign revealed in
The spirit only.

**Does your perceived “rights” bring you closer to ignorant lost lambs in
Order to witness light or just more lonely?**

Watch out for what you wish for because you just might get it.

It is true, you will reap what you sow, and **God** won't let you to forget it
So He constantly has to punish our wrong moves but graciously blesses
The good.

THIS IS WHAT LOVE DOES - *correct the foolish lost sheep like He said He
Would*.

It's not our place to bitch at **God** but to enter the Kingdom through
Worship and praise.

And this happens not when an immature Israelite grumbles but when
Enlightened voices raise

The **cover of darkness - false doctrines of eternal death - off the glory
Of Light**

**That God is Good and Love Forgives sin and ALL get saved from the
Darkness of night**

Which is God's picture of the awareness of his Spirit working in our life.

He doesn't want to be married to a **Carnal Israel** - His judgment

Provoking harlot - wife

But desires to experience life through His virgin bride and conceive His
Bountiful offspring...

New souls **with minds transformed by God** when one sees the cross and
It's wholly **Holy Love** offering.
