

# One is the Loneliest Number ? #85

Three Dog Night sang; "One is the loneliest number that you'll ever do.  
But two can be as bad as one" ...or worse, more than a few.

The three dogs picture comfort on a real cold, lonely desert night.  
Though alone, his three "best friend" companions took away any fright

That he might not survive the loneliness and die alone.

Like Daniel chose to walk into a fire with his invisible chaperone  
And his two buddies in the flesh but all three united to the Spirit  
Which revealed the 4<sup>th</sup> to the enemies that couldn't get near it.

7 times **hotter** than normal temperature used to try to kill the three  
Because they wouldn't conform to the world's wicked king's plea  
To consume the unhealthy diet and adapt the customs of their captor.  
They were slaves in the flesh but knew their spirits would soon find their  
Rapture

If that's what **God** would choose their humbled fate to be  
They were pictures for us to help set our world infested souls free.  
**3** men of faith willfully chose to follow their heart.  
They heard the still small voice - that they've been "**set apart**"

***To walk where the faithless fear to go!***

The "**Spirit man**" will lead the **carnal** into **God's purifying fire** so  
The **7 Spirits of God** will remove the **dross** that **must** be burned  
On the altar enjoyed as sweet incense to God. That's **sin** being **burned**  
**Not people...the lesson** to be **learned !!!**

**1,3,4** and **7** are numbers associated with this story.

**1** is the Spirit that **Truth WILL PROVIDE Jesus' redemptive glory.**

**3** is the number for resurrection and might picture our body, soul and  
Spirit being willing to die.

So **4** enters the picture as the number of the world during this fry.

God's Word speaks of a mingling of the wine and oxen messing up the Place.

This is the Holy Spirit giving His disciples clues on how to see His face.  
**7** - the number for completeness and spiritual perfection is how hot "Hell" will feel

Which will draw out sin in one's life and cause him to squeal

Which is a Good and Holy design so that every soul will kneel  
To bow and confess in worshipful thankfulness that Jesus will finally Reveal

That the death sentence sin legally demands to justify the law

Was - **like He said** - paid for by His blood for **1** and **ALL** - without a flaw.

This group of two or more I mentioned at the start

Pictures what God said would happen when men don't share the **AGAPE** LOVE that flows from God's heart.

**2** - united against God - started with **Adam** and **Eve**

When the **2** got together and decided not to believe

God's Word that in that day they'd surely die.

Adam desired his mate - like every other creature had - is why

He chose to be complete with his wife - no matter what "to die" meant.

He had **NO CLUE** because death **hadn't yet entered** God's creation as The vent

To release sin and the **Devil** and his charges to a place called **Tartarus**

So evil can be the companion of evil and stay far from the rest of us.

As far as the east is from the west - God remembers it **NO MORE!**

**All religious systems** including **false Christianity** are pictured as the **Great whore**

In the Book of the Revelation of Jesus Christ - **WHO IS SALVATION**

To His people of faith who've been shown Abraham's great nation

That will bless the entire world with the Gospel of "**Good News**"

That **God revealed His plan to save ALL** men through the favored Jews.

# One is the Loneliest Number ? #85

They were favored as a nation because **God** spoke to them in **WORD, ACTION, and WRITING**

The picture is that when more than **1** person have an issue...it usually Leads to fighting

Unless this "**ONE**" is the **Spirit of Truth** that **ALL MEN ARE BROTHERS.**  
God has revealed in His "**Good Samaritan**" picture that **AGAPE LOVE** is Like that of desperate mothers

Who'll pay **any** price and **do anything** to **ensure** the battered soul's **Survival**

Including sacrificing her own life to defeat her rival

For the life of her child - that's mankind and Jesus the **LOVER.**

The **INNKEEPER** is the **AGAPE CHURCH** that deals with the cover

Of how this **FORGIVING LOVE WILL TRANSFORM** this wild olive tree

By trimming off the unfruitful twigs that hinder a pure growth set free.

This process causes sharp pain but from it will come great gains

When this downtrodden soul is redeemed from his woes and Love now Reigns

In his heart - fully made new with a joyful spirit

That **REMEMBERS** the **Love given** to him when he cried out and "**Religious**" ears didn't hear it.

**Imposters** for Christ who didn't think it right to touch their perceived Enemy.

God told Peter - **SALVATION IS FOR ALL NATIONS and PEOPLES** that put Nothing ahead of Me.

**His** story is told through *history* of the *entire* human race...

That **all men fail** to completely override the **need** for **GRACE.**

Even Jesus had this Grace and he took it to the limit.

It gave Him power over every **evil** thought so of **God's LIGHT** the world Failed to dim it.

# One is the Loneliest Number ? #85

This is why most men can't stand the **LIGHT**.

They Love the darkness of evil and live to fight

Really against spirits and principalities and things held in high places.

The **carnal nature** of condemnation **prevents** most from **seeing Christ** in **ALL** human FACES!

**GOD'S** Spirit judges the heart and His "**Peters**" do understand the truth Of God's way.

To be a fisher of men is to be patient and return Good for evil in order to Say

By **ACTIONS not words** how **TRUE LOVE ENDURES ALL**

No matter how many times my brother repents... **then** I see **again** fall!

**7 X 70** times **IS HOW JESUS SAID LOVE WORKS !!!**

Is a punishment of "**Hell**" **without redemption** one of God's plan's "**little Quirks**"

Where His **PROMISE TO SAVE** the **100<sup>th</sup> LOST SHEEP** might **not** RING **TRUE ???**

Is THIS the **ALL** Knowing and **ALL** Powerful God you preach to save Others from **ALL SINS ...and you ???**
