

#86 TONE

Out of the mouth comes the issues of the heart.

The question is: Right now and every moment do you desire to start To hear the **TONE** of **LOVE** and **GUIDENCE** in Jesus' words to all To draw His lost sheep back to Himself with reassurance in His call.

OR... do you hear our "**Good Shepherd's**" voice in a **TONE** That **DESIRES** to ***punish*** forever **ALL** the Father doesn't now own? That's great ! And true ! And I believe that too. Now here's what **LOVE** has shown this rebellious lamb to be **TRUE**.

There is a vibration that runs through each **atom (Adam also)** and past Into a realm where **ONLY GOD'S WORDS, TRUTH** and **PEACE** will last Even in the perceived vacuum of space where the atoms are missing. **This darkness** is part of the **bigger picture** for us to see how He's kissing

ALL of mankind with His story of **Redemption** for **ALL** in the skies. Of course this only happens when **TRUE LOVE** has opened ones' eyes To the Spirit that can **FORGIVE** to the uttermost. **Yes...EVEN SINNERS.** So God's most glorious pleasure is turning "**losers**" into "**winners**"!!!

Now...**my TONE** when I say "**losers**" ... **to all it will be clear.**
The religious Jews rejected the message...**but it drew sinners near!!!**
The "loser" is the mind that has not been renewed.
Like the older prodigal "**brother**" *who refused to join the celebration but Rather stewed*

Over the fact that his "**brother**" who wasted his time and material Was again welcomed back to all the Father still owned - **ALL ISRAEL.** All Israel is not all Israel. Again...what **TONE** do you hear? Do the joyful tones of a party sound like love celebrating victory and *That draws you near?*

All of Heaven rejoices when ONE lost lamb is returned. Where is the older brother at this time - was his heart not burned With feelings of envy, or hate, or anger for such a display? **For he thought his legalistic walk should have earned him his day**

#86 TONE

When **he** could kill the fatted calf and party with **his** friends.

The Father said he was welcome to *every day* because the party never Ends.

The party is about how God's GRACE COVERS ALL SINS

Except the "unpardonable" one which is TO DISBELIEVE LOVE WINS !!!

So did the **TONE** you just heard again support the "**death**" penalty

For all that don't repent, or confess...but die in their sins only to see

ETERNAL TORTURE with a clear conscious of their Creator turning His Back ON THEM

BUT HE CHOOSE "TO SAVE HIS CHURCH" - some religious sect who DID S.O.M.E.T.H.I.N.G? Ahem.

To "**EARN**" their way into this Kingdom where **PEACE** and **TRUTH** rule.

God chooses on WHO and WHEN and HOW He'll have MERCY shown,

And the "**Law**" is not the tool

For a PERSONAL Salvation gaining walk; but for us to fear and tremble

And **UNDERSTAND the purpose of punishment and judgment is to Resemble**

Christ in His effort to bring God's **LIGHT** to the lost.

The sins **of the world** were **IMPUTED** to Jesus who **WILLINGLY PAID**
THE COST

That has **ENDURED** with **LONGSUFFERING** the disrespect "**Old Testament**" **Israel** shows.

This is the picture of your walk as your **hate** for people **dies** and the "**NEW ISRAEL**" grows

To fill your heart with God's compassion and forgiveness for lost souls

And believe in your heart - Right Now - **YOU'RE PRAYER TO SAVE ALL**
Rolls

Out of your mouth with the **TONE** of confidence to tell all

That **EVENTUALLY** every person WILL PRAISE God for His **GRACE** to even
Call

#86 TONE

Such a **wretched soul** with a righteousness covered with stains

PERSONALLY up to His chair

OF JUDGMENT where only those who are given entrance will be His HEIR.

I thank God that His **WORD** that **vibrates** forever said Christ is “**All in All**”.

And “**ALL**” things **include people**, death and confusion and are subject to His gavel’s great fall.

And He’s said He’s already condemned the world - here’s the picture - Your carnal nature **is doomed** but there is a Spirit nature in the mixture.

This battle of which one dominates each moment comes out in your Song

Of what God will do with people who you believe are doing wrong.

His command is to judge righteously as He does like a good father does.

He sees what this scared, ignorant lamb for what it IS – not what it WAS.

Forgiving 7 X 70 times and **totally forgetting the past. Proudful in His Work**

To change the darkness by filling the void earth with **LIGHT** His biggest Quirk

That those not “**Born Again**” with the Spirit of Love and Truth **that saves**

Just can’t grasp because they don’t **know** His heart -just how he behaves

Which takes the discernment of Spirits and time to build a relationship

So each can honestly tell the other their deepest hopes and fears that

Might tip

The scales of justice towards a judgment seemingly in fear and not to be Enjoyed

If not understood that the big picture God has **MERCIFULLY** employed

Is He judges **EVIL** and **SAVES HIS CHILDREN** from its deathly grip.

Once again...**MY TONE** is to praise His **WILL TO SAVE** - not strip

#86 TONE

Any last ounce of **HOPE** a lost soul may still have that **SOMEHOW**, **SOMEWAY**, **SOMETHING**, **SOMEONE** actually **STILL LOVES** them - **RIGHT NOW!**

Even while trapped in sin and without even the ability to control its Limit.

This last ounce may be my words to him or her that **Jesus** - deep down - **IS STILL IN IT !!!**

And THAT is what I do pray - that all mankind would hope that all R.I.P.

Only an **EVIL SPIRIT** with death as its pleasure would **WANT** so that none Would see

This **LIGHT** which is **Jesus** - everlasting life consumed by **LOVE**

Which has always been - but death came after Adam chose to shove

God's Spiritual world out for His created world - MAINLY EVE,

And worshipped his own flesh of his own flesh rather than believe

This **"death"** would come upon him "that day" should he eat of the Wrong tree.

What it exactly was and we know now **IS THE LOSS OF THE LIFE FOR YOU ONLY GOD CAN SEE !**
