

#89 *The Happiest Thing*

The ***happiest*** thing that a man could ever dream of
Is on a lower level than the **JOY** each person is *offered by* the same **Dove**
That came down from Heaven into **Jesus** and those who **God** chooses be
His **Witness**
And be changed like a Saul into a Paul - the Apostle who spoke of a
Spiritual **fitness**

Using the physical Olympic Games as a picture of there being only 1
Winner.

But miraculously and on **God's** time table DOES HE **TRANSFORM** EACH
SINNER

Into a more perfect image of the Son of God by molding,
In this age, with the **Fire of The Holy Spirit** in which men hear **God**
Scolding

Evil people with warnings of what future they will face
If they continue being continuously controlled by the **Law - NOT Grace**.
The **Law NEVER** brings one into a Righteous relationship with the **Spirit**.
Only living in total Grace - which is **HIGHER** and not even the same
Realm - brings anyone anywhere near it.

His Glory is this **Joy He's** given **His "Called out"** nation of **believers**
Who know **His "Ways"** and prophesiers against messengers of world
Based peace who are really **deceivers**.

His voice becomes so much clearer when you correctly start loathing
And discerning the spirit of the ravening wolves dressed in sheep's
Clothing.

Everything about anything in the physical realm that doesn't shine **God's**
Light

On how **YOU** do radiate this **AGAPE Spirit** to reveal wrong from right
It is **NOT** in condemning words as a means to a fatal end,
But to **burn off** the "**religious**" nature that if I'm to "**get to**" some
"Heaven" it will depend

#89 The *Happiest* Thing

On whether I confessed, or witnessed for, or even spoke of **Jesus' name**;
And rejected - especially - **all** carnal "**works**" - the **BIGGEST** part of the
Devil's tempting game.

It is not what you do **but** the **why** **God** does constantly **test**;
Although what you do shows **His "seal"** in you and you enter "**His Rest**"

Which is the **Joy** of an "**intimate**" relationship to **THE Father** and **His Attitude**.

This transforms the **MOTIVATION** to serve "fallen man" - from obedience
To **gratitude**.

Obedience is better than sacrifice - that's to be **sure**;

But obedience to a Righteous Law only opens the door to live your life in
God's cure.

Jesus is the **picture** of **what** a **fully obedient "fisher of men"** may **do...**

And much more - **Jesus** promised **His disciples** when we follow **His** cue

When **He** speaks to our hearts - which always melt and **deflect**

Whatever this evil system dishes out, and bounces back to **reject**

Some bump in the highway that took you off course for a **while**.

But after each fall a **Righteous man** will rise and again **smile**

When you **realize** at this point in time **how** **God** worked **yesterday**

To show **Himself** to you - **usually in Great Mercy** - so **you didn't have**
To pay

The price for a sin you committed yesterday - "**Death in that day**".

But sins are **forgiven 1st** from the **desire** to...and **2nd** the **Grace** to say

That I did wrong - **something** the **carnal nature** can **NEVER** admit.

When we finally learn how sin has affected this part of us we'll then **quit**

The destructive habits we once embraced as just "living it **up**".

But simply will not happen anymore because it's drinking from the cup

Of the "**Wrath of God**" **who cannot ignore or accept** sin.

But **He** demonstrates it on your **carnal body** to **Redeem** the **real** **you**
Within.

#89 *The Happiest Thing*

And when this tough outer shell has been burnt off and discarded,
We won't throw stones to kill each other like Old Testament day Jews.
That's retarded.

Grace has fallen on us like **The Dove** upon Jesus
Because we now see what we once perceived as bad now does **please us**

If today I'm a more compassionate person to friends and enemies alike.
An enemy as **God** sees him is just a "lost sheep" on the **Devil's skewer**
Spike
Doing whatsoever he will with him - **rotating him in the fire.**
This **Hell** is the picture **Jesus** tells us is **ALL UNHOLY DESIRE**

Which will have **Pride** or **Arrogance** or a **Controlling Nature** to it.
With power and position to "**sit in God's temple**" - **OUR HEART** - THE
Anti-Christ doesn't fit.

So when **God's "New Covenant"** goes into effect in you, you
PERSONALLY will see
The **SCARS YOU'VE PUT** on **Him** when **He** entered you and set you **free !**

When **He** tells you they **DID** hurt - you'll relate to how you hated -
(**Murdered**) men
And walked right past them and **ignored their great need** and retired to
Your comfy **den**
To possibly even study "some" Bible that is not giving life to others - but
Your own **pride**
Having confessed Jesus has **SAVED YOU** - **but perfectly content** that all
Sinners' end will be that they **died**

And end up being *tortured* without end. Is this what **Jesus** saw
In His "Good Samaritan" story about the man beaten down by Jewish
Law ?

Not the **Law of Moses** that has provisions to recover
The descendents of Esau - Jacob's brother by the same **mother.**

#89 *The Happiest Thing*

Actually his twin ! - a great picture of **God's way**.

He didn't hate Esau in the way hate is used today.

God hates evil - see **Proverbs 6** for His list.

This is to show the things Esau's nature couldn't resist.

And even Jacob had his issues but after wrestling all through the **night**,

He finally submitted to let **God** do whatever **He** sees as right.

He gave Jacob a new name - **Israel** - **but had him walk in great pain**.

The picture of how **Jesus** suffered and died but **ROSE AGAIN TO GAIN**

HIS HARVEST - the **1st Fruits** - people who tend to the husbandman's Vine;

Pruning unfruitful branches that **will die as the sign**

That God's Spirit **DOES DWELL IN** them - these are sins done only against **His Spirit**.

But the **carnal mind STOPS** at its Israel Olympic wrestling match and Gentiles won't come near it.

If **God** is powerful enough to graft in unnatural branches - **unbelievers in Jesus...**

Did **He** write down all these **PROMISES TO REDEEM ALL** just **to tease us?**

And really mean He's planning on saving only an elite narrow group that **Think,**

But have their heads so far up their butts, that their own poop doesn't **Stink.**

This shows **God's** power to overcome the unnatural system on **Earth** Which is **Death to ALL FLESH** - but **Jesus promised** each soul **REBIRTH.**

THIS IS WHAT LOVE DOES - OVERCOMES ALL TO WIN IN THE END.

God sent **His Only Begotten Son Jesus** to be the **MEDIATOR** with the Power to **mend**

#89 *The Happiest Thing*

This division that sin brings between a **Holy God** and **sinful man**.
This is what **Love** and **Grace** do that even God's Law never can...
Bring back all men - ALL **SINNERS** - to a Righteous standing before the
Judge
Who is **Jesus** over ALL things - the **LAST FOE** - **DEATH** - **His** biggest
Grudge.

Jesus came *to tell* the religious nation of Israel they've *heard* Him *wrong*
And **He came to REDEEM THE WORLD** - this is a Spiritual ding-dong
From the warning bell that carnal thinking is certain death & pointless.
Spiritual intuition from Love expels life in words & actions not anointless

From the oil of the **Holy Spirit** which **WILL HEAL** each broken spirit and
Heart.

God's plan for **His "Church"** - like **Jesus** did - is to do their **part**.
Jesus' was to create, redeem and teach, and now to **dwell**
In the heart of those that understand the meaning of **Hell**.

God only does things that please **Him** - punishment included !
This is not done because He chooses some to forever live with **Him** but
Others - **excluded**
This world **He** created to show how Love can save even the worst soul
Polluted
With the hate for **SINNERS** upon whom they say **God's** justice demands
Eternal Death and are still **deluded**

By the *sin* nature - how many times is this brought up?
Jesus said He drank the entire wrath of **God** upon men but would not
Sup
With men again until the price had been **paid**.
And the real **"Gospel"** of **Jesus** is that you too will rise after you've been
Laid

#89 *The Happiest Thing*

6' under - the carnal / physical body's existence - the shell removed.
It's **Dead** - no control - and the **Best News** is this *can happen now* in
Your spirit now improved
To the point **Christ** lives through your actions and words of life
That encourage others to see that the cause of their strife

Is somehow their own choice - yet God in control

Like the **Father** of **ALL He IS**, He has *compassion* on every soul
And **Mercy** that's *never endless* because HIS **Love** leads to **Life**.
Like the prophet Hosea who WAS **TOLD** TO MARRY A **HARLOT WIFE**,

What better picture can God provide of His UNENDING devotion
To continue on until your darkened attitude receives the notion
From the **LORD** - not these words - that will crack that hardened shell
Of HATE that wants even 1 soul to be tormented FOREVER in Hell !!!

All through the verses **He** goes back and forth, nearly every other verse
Anew

Saying what UNFAITHFUL people will do, and also **God** too.
Continuously - because **He** has not man's spirit - **His Mercy** Gracefully
DRAWS

The **HUMBLER SINNER** - **not the proud religious zealot** *who focuses*
MOSTLY on **YOUR** **FLAWS !!!**
