

#92 Our 3D 4G God

Today's world is so far from **what**
The Apostles could have ever imagined, **but**
The specifics and details don't matter one **iota**.
Like whether **you** drive a Porsche or a **Toyota**.

Technology, innovations and imaginations gone **amuck**.
It's impossible to keep up with it. A quagmire in which the flesh is **stuck**;
That will not and can not find the peace that **surpasses**
Anything any **pastor** can learn in a lifetime of **religion** classes.

Head knowledge does not save **your** butt from the **fire**.
That's what the Greek mindset does in order to **conspire**
Against the truth that **Paul** delivered - of trusting **ONLY** in the **Lord**
Because a lifetime of driving the wrong road does not bring the "**one**
Accord"

***That the scriptures say of you being your brother's keeper
And are all through the Bible and conveyed if the understanding is
Deeper***

Than the **carnal** level **that condemns** the failure of a brother to **pay**
For the wrongs done against what is right, **you** better look out for
Judgment Day.

There are **three different ways** peoples' minds supposedly **work**.
Two of the ways are not "**in the Way**" so **you'll** look like a hypocrite or a
Jerk
To others watching **you** in your daily **walk**
And the message **you** speak and the tone **you** talk.

The **1st way** I've already mentioned is that **God** must prove that **He IS**.
Greeks forever seek knowledge of things, and what the **religious** spirit
Brings - like carbonation - will finally **fizz**
Out to discover that their search was totally **IN THE DARK**
Because **you** constantly need more proof - **you're** response to **The Light**
Is always a loud **bark**

#92 Our 3D 4G God

Which signifies **FEAR** mostly, but also tries to manipulate and control
Because **when your Love for sinners** really turns on - **you'll** get on a **Holy Spirit** lead roll

That will be what that **Spirit** was waiting for all along to **do**;

And finally it all **GETS THROUGH** that **thick skull - enough already about Differences. Today** - history is new

To do *moment to moment* what a kind, forgiving and merciful heart will
Desire

Give **ALL** THAT IT HAS...and then some...before going on to retire

To the place in **your** home (heart) where **you'll** rest and recoup.

Christ often did this and intensively prayed that the **Father's heart**
Would give **Him** the scoop

Of **even this** 3D generation which has 4G capabilities.

Where this is all headed is only for **carнал** pleasures and **tranquilities**;

The Devil's deceptions of diversions to spend and thus waste valuable
Time

On the fruit of the vine after it has fermented when words come out

Without rhyme

Or reason, or logic, or **Wisdom**, or **Truth of Peace**...and basically of life.

When **one** gets drunk on wine (**fruit of the flesh and false religion**)...**it**

Causes the reaping of strife

Which **OUR LORD foreknew, foresaw** & has **fore planned** what **He will do**

After **we've** chosen our last step, word, and action from which **grew**

Like Levin into a bad loaf on which **we'll** feed daily from.

And certainly the further down the road **we** walk to the beat of our

OWN drum,

The **sicker** and **more perverted we'll get** as the **darkness** gets **darker**.

Then **JUDGMENT** occurs **exactly when** God knew the contrast **NEEDED**

To be much **starker**;

#92 Our 3D 4G God

Which is **God's** timing, positioning and **DOING** - so don't get in a tizzy. Just profess **the Love** of **God** and His willingness to forgive an over-busy, Distracted, deceived, confused and most assuredly hurting **soul** - even at **Death's door**.

God has **His Perfect 3-D and 4-G** capabilities **so far beyond** what **we** Could even imagine **we'll all** hit the floor

In **total AWE** of His Greatness and how **He** shows **Himself** in **EVERY DIRECTION**.

We look out with telescopes and marvel at patterns never seen before
But have discovered through inspection
Which **He** desires **us** also to do with microscopes in the other direction
To also find exquisite function and **detail**
And order never ever even dreamed possible or needed. **His** ways are Exposed not at wholesale but only retail

And available for only **those He's** led to "**sell all**" to buy the "**pearl**"...the Great find. Matt. 13:46

Because when **each soul** finds it - **his** Spiritual **eyes** are no longer **blind**
And **God** has opened the doors of **His Wisdom** and heart to **His** disciples
Who **He** has study **His** written word and hear **Love's Spirit** and recycles

This willingness to suffer whatever is demanded and prove **through ACTIONS with righteous PRINCIPLES**.

We shall come before kings and rulers and be **God's** army of Gideon Invincibles

Following the **Word** given and heard to **us common men** of valor with Urgency and willingness of heart

By our **God** who reads it & has **His soldiers** positioned & ready to start
xx

Coming up against the **Gates of Hell** - so **we're** to RAZE them.

They have no power to hold - **Jesus** does - *so we too have been given,*
Like Peter, *the keys* to **sin** and **death** to tell

The whole world this "**Good News**". **Jesus** commands **us** to use them to Start **our** Spiritual motors.

We'll then be noticed as **people** joyously thankful for everything in Life...but not profiteers or gloaters

Matt. 7:23

#92 Our 3D 4G God

Of certain **“gifts”** which are the **“talents”** God says He gives a measure
To all of. Luke 6:38

Some 1, some 2, some 5 - the amount is not the issue but our duty, so
Shove Matt. 25:16-28, Rom. 12:1

That **carnal** mindset of **“more is better”** out - but as **His Spirit** unveils –
The opposite is true.

Give - to give - from **Love’s desire** and He’ll out-give **you** back 100 fold –
Old ways turned new.

The **2nd way people** think is like the way the **“people of God”** interpreted
God’s voice to His flock.

They certainly provoked God’s wrath - and His **Word you** can not mock
1st & 2nd Kings, Psalms, etc.

And get away with it in the end - He’ll righteously judge and deal with
Each man. Gal. 6:7

But His **“Way”** is to **REDEEM** the **Lost** - not throw **them** down the can

And into the emptiness of forgetfulness made **blind** by **pride**.

On the coattails of their **forefathers they** just think **they** can ride

Right past the gates of Hell - which are the Holy Spirit’s fire.

The deeper the denial of God’s purpose and **mercy** gets, the flames of
Conviction only get higher

To now bring out the **3rd way**, which is to bring out this starkness
Between right and wrong

And become the **prodigal son** who realizes who is strong

And who is weak. It’s God’s holding grip of **Love** that saves the **day**

When this **prodigal son** sees he’s really been all along going **his own**
Way;

And **Jesus** finally opens **our** eyes that man’s ways **can’t** satisfy,

And that’s why **we** crumble in despair and **confess our** faults and **cry**

Out for mercy when **we** all will see His scars. John 20:27

Then **ALL** of **Israel will be redeemed** & He breaks the **bars** Rom. 11: 26-29

#92 Our 3D 4G God

Of **unbelief** which separates willful **sinner**s from the perfect **SPIRIT**
That **Jesus** showed while on Earth...but the **RELIGIOUS Jews** wouldn't
Hear it

Because **their** position **under the Law** was to be the **people's** guide to **God**.
But without **GRACE** and **UNDERSTANDING**, in the **Old Testament**
Blindness they still **trod**;

Which was a **PICTURE** of the **dead end** street that **unto salvation the**
Law can't and wasn't made to provide.

But **we** see this **GRACE** and **God's longsuffering** that's always been when
On the narrow path **we** ride

Which leads to an abundant life - here and now - so **we'll** share **God's**
Agape Love - the **REAL "Good News"**

That only through a **PERSONAL RELATIONSHIP WITH JESUS** will bring **joy**
And conversely **the blues**

When **Love** and **the Law** shows **us** our sinful heart and thoughts so **we**
May then take action.

Christians are given the **ministry of reconciliation** - the strongest
Attraction

That a **Holy God** of compassion and patience can soften a hardened
Mind so it may melt with its **heat**.

We'll understand that with other **men** of different nations and religions
We're not to compete;

But in **ONE SPIRIT** be the ultimate **teacher** shown by **our** words,
Reactions and **walk**

By being **MORE LIKE JESUS** when **He** dwelt among **us**...so please don't
Balk

At the message of this **"Good News"** that it is **Jesus' WILL** and **promise**
To SAVE !

Now - if **you'd** like - or **AFTER your** selfish live has ended and **you're** in
The grave.

#92 Our 3D 4G God

This Holy Spirit's **UNCONDITIONAL LOVE** won't build an unscriptural Doctrine on such shifting sand
Demanding a man **MUST CHOOSE** *before* his body is destroyed *or else* in **UNENDING torture** he'll land

According to the *Devil's Doctrine of fear* from this ONE verse, Heb. 9:27 WHICH DOES **NOT SAY THIS**.

It **ONLY STATES** that *all will be judged* after this appointed time and Here's where **their** doctrine goes amiss.

The truth is that at this moment - ALL our **WORKS** will be **judged** and Dealt with accordingly.

Evil works will be **burnt up** and **righteous** ones rewarded and **Jesus will Be** there **mediating** for thee

As He always has - He's the **potter** and **molder** of **all**; and this age of Mixed iron and clay

Described through Daniel's explanation of the King of Babylon's dream Of THIS DAY.

The King of Babel - which means **confusion** - is what has happened as **Religion** has built up **this man** - **YOU religious sages!**

The head is gold (CHRIST) and gets mixed with **men's doctrines** which Get weaker down through the ages

As **the body** gets revealed it shows the ages of understanding of the Unity **God** has with fallen **mankind**.

And eventually gets to the point to where **it can't stand** firm and then The **ROCK we** rejected **we'll find**

Will come down and destroy **this man of sin** and start (**in you**) the new And everlasting age Dan. 2:44

Where **Jesus WILL REIGN** and **true Love will** set (**YOU**) free from the Gates and cage

Of **Hell** - **disbelief** of the holiness and favor of **God's** directives to eat Only from the **TREE of LIFE**

And eat not of **the tree of knowledge of good and evil** that can only Bring the reaping of **strife**.

#92 Our 3D 4G God

This is the **PICTURE** of the circle of life that **God's** plan has **for each** soul. The first **Adam** of dirt which is made to return to the dust when it finally Releases its perceived control.

The second **Adam - JESUS - is that of SPIRIT** - incorruptible - turning the Heart of **stone** into **flesh**

As **promised** in Jeremiah **31:31**...a **New Covenant** put in **our** inward parts So the whole **world** will eventually mesh

Into a **kingdom ruled by Love** for **one another** but still correcting the Wayward ways of **children** of the **Devil**.

Having the first Adam's nature **doesn't mean we're** not **God's child**, but **Israel's** rebellion showed in it **we** do revel.

Jesus explained this to **Nicodemus** - a **teacher** of the Jews, and was Astonished that **he** had not perceived

The **TRUTH** and **SPIRIT** of **God's** teachings throughout the ages that it is **He** which was revealed to **His people**, The **Jews**, but never received.

This is the **PICTURE** of **YOU** and **ME** before **we've** been "**Born Again**" of This **repentant** nature.

We'll never be perfect in the sense of not falling now and then, but Quickly **you'll learn** to hate your

Carnal nature that is stuck to **us** - the **PICTURE** Paul describes as **the Burden** we carry on **our back**.

This is **our thorn** in the flesh, **the cross we'll understand** that's **ours** to Bear, but **the power to do so we will not** lack.

Because when **Jesus** sends **us** the "**Comforter**" AND **WE** RECEIVE HIM...these days **we** will truly cherish

*Because **we'll** no longer lack the "**knowledge**" of The Way, The Truth And The Life that once caused **His people** to perish.*

***The Book of Hosea explains this mystery** of how **our loving** Father will Never let completely go*

Of His **children - me and you** - and *the truth* that **He will** reap what **He Did** sow.

#92 Our 3D 4G God

This reaping is the harvesting of ALL SOULS made clean and pure by His Blood.

Again, a **PICTURE** of His **Love** was recorded for **us** in the story of **Noah's Flood**.

He got rid of all **mankind** that had **evil** constantly on **its** mind and in **Their** hearts.

Here's where the **AGAPE LOVE** *overcomes* the "**world, flesh and Devil**" And His everlasting **Kingdom** starts.

Only **Noah's family**, those that "**rest**" were "**saved**" from this **QUICK** Destruction of flesh, which He *has* to judge.

Disciples of **Jesus** understand this correlation between the **flesh** nature And the **Spirit** and give **HOPE** to nudge

With the **gentle spirit of compassion** and **mercy** to *those still lost in the Dark* and bring **God's** light

To this **world** that loves its **own** way (this **world** is **people**) not literally The **Earth** and soil - that's right!

The "**land**", the "**Earth**", the "**nations**", the "**waters**", the "**lost sheep**", And "**Egypt**" are all **PICTURES** of **us**

That He's **promised to "REDEEM"** because **Love never fails** or gets Corrupted like wetted iron only to rust

And lose *its strength* and **power to save** His **100th** lost sheep.

Jesus promised not to lose a single one, but **ALL MEN** the **Father** has Given Him...He **WILL KEEP**

Under His watchful eye as the **Shepard** of the **flock** and to the whole **World** He has **told**

That He has **sheep** that are wondering aimlessly **in the dark** and are **not** Of "**this fold**".

This "**fold**" are the "**believers**" that are **willing** to suffer and **die**

For **those** that die in **unbelief** of **God's** word and never really found His **Abundant Life**,

But lived their entire life in the Devil's lie.
