

#93 Love At First Sight

Love at 1st sight is a glorious thing

When the Love Bird that lives in both hearts **starts** to sing
And makes a most beautiful song that sounds so sweet
Both know it was ordained by God that they should **meet**

Sometimes His voice will be heard inside one's head
That the other child of God is to whom you'll be **wed**.
And the relationship starts off with a shock and a **bang**
Like you've just started your love life's race & the starter's gun just rang.

The **surge of energy just manifested shoots** you **instantly up to cloud nine**
And you realize your life is now **"OURS"** and no longer just **"MINE"**.
You become anxious to be joined in Holy matrimony before God & friends,
And are blessed & comforted by God's promises that **"true Love never ends"**!

All that may happen with such total amazement and quick succession
But will not be the real thing unless both give a **TRUE CONFESSION**
Of how your Spiritual relationship with God and Jesus are expressed in
Your daily **walk**.
Because without this foundation of **HONESTY** - the future won't jive
With your present **talk**.

One has to be careful that the "One New Man" is **"True Love"** and **NOT**
LUST
Because if **PATIENCE** isn't proven and your **FRIENDSHIP** built first - **it will**
Surely rust.
LOVE is not in a hurry, but our flesh natures say...Let's do it ! NOW !
LOVE comes with a cost, and it's paid by both partners by their
WILLINGNESS to **bow**

Before our Loving creator and agree together to build upon **"The ROCK"**.
You'll prove to one another that you're both in God's flock
That is guided by the **"GOOD SHEPHERD"** & listen closely to His instructions
And understand that **HIS LOVE** account has **UNLIMITED VALUE** that can
Absorb countless **deductions**;

#93 Love At First Sight

Which will be the submitting to one another and the **Voice of Reason**
So you're marriage will get stronger and stronger as it goes through each
"Season"

Which are as different as Winter, Spring, Summer, and Fall
And have their own hardships and blessings that make "**TRUE LOVE**"
Stand tall

And be an example for your children and the world to see how great
It is to become "**one flesh**" and you're willingness to state
That the **LOVE you each perceived** right at **1st sight**
Was truly **NOT** fleshly lust, but delivered by God with ever-expanding
MIGHT!
