

#94 **Love... BEFORE First Sight**

My last poem was about human's **Love at First Sight**.

But it only led me to write about **God's** might

That was able to **Love** us **ALL** BEFORE **He** even saw

The Human Race that only makes it more the necessary for **His Love** to **DRAW**

Us sinful souls that live in this world that has been corrupted by sin.

When the 1st Adam chose to disobey **God's** word spreading this nature

To all his kin;

Which is you & me who live with the dichotomy of obedience & self - will

Which now is called the **Fire of Hell** when we jump onto **correction's grill**.

This **grill** is where **the change** of our sinful mindset to **sanctification**

Occurs.

But the **FALSE CHURCH** since **Jesus** has perverted and its purpose blurs

Into a fear that IF you should FALL through the grid - which is **His written**

Law,

You're FOREVER LOST and CAST AWAY from **His Mercy** and **Grace**. And

THIS IS THE FLAW !

His word is full of more than 160 verses that **promise** of the
"Blessed Hope"

That are given to resurrect even those that HAVE FALLEN THROUGH

Because they can't cope

With the things WE DO that separate our walk from the best **He** offers.

When we confess our shortcomings we are **"Born Again"**. But it doesn't

Happen to scoffers

Which teach if you should die in your sins without a confession, or full

Belief,

Then **God's promises** weren't for you and you'll be **TORMENTED**

FOREVER - **w/o** the **possibility** of *any* relief.

This is SO FAR FROM THE TRUTH because even the body's life and death

Are NOT BEYOND

The **POWER** of OUR **FATHER TO REDEEM His** lost children, because of

Even THOSE He's fond

#94 **Love... BEFORE First Sight**

Of **way beyond** what sinful men **can imagine** - that's **His AGAPE LOVE**
That **HAS** saved

Not **ONLY His** so "self thinking" obedient children, but **ESPECIALLY** those
That hadn't behaved.

It seems way too unfair to the **False Religious mind** that this can be
JUSTIFIED.

But **Jesus** lived and died and rose again to show us "Real Believers" who
Aren't mystified

Or prideful in our own "works" - which we're told **DON'T MEAN A THING**
About **True Love's** ability to **conquer ALL THINGS INCULDING** the **LAST**
ENEMY - **DEATH**. So let's sing

The praises of the **Power of Christ's Blood to Redeem** the "**Lost Sheep**"
That has wandered away from the protection of the "**Good**" **Shepard's**
Safe keep

And into the world's ways and fleshly desires and the **Devil** - which is
UNBELIEF,

Which doesn't glorify the **Father**, but sadly brings **His Holy Spirit** grief.
Because like the Hebrew nation brought out of the slavery of Egypt
(the world)... **ALL DIED** in the wilderness

Except Joshua and Caleb and all under 20 years of age who were given
The **Grace** by **God's** tenderness

Of **Love** and bestowed the blessings of crossing the Jordan River so **His**
Nation would continue on.

So **TO THIS DAY...WE'RE** given the same chance **to see** the new dawn
Of the "**Age**" **inside each soul**...which continually dies, but repents of our
Silly ways

That cause "**spiritual**" death, and even "**bodily**" death if we can't apply
This truth to *these* days

#94 Love... **BEFORE** First Sight

Which is the whole reason the “**Law**” and the “**Prophets**” were given...
To be a schoolmaster that will lead
To our **Merciful, Forgiving** - 7x70 times **Father**. Does this Hell
Condemning spirit concede
That **He** doesn't tell us to do anything **He** doesn't do **Himself** - especially
For **His** enemies !
Which we ALL ARE - every day - because we're still in this flesh body that
Too easily conceives

From lustful thoughts born in our hearts, then spoken with the tongue
That **refuses Mercy** to the sick and poor
But **puts fear in these “lost sheep”** that **one day God will REFUSE** to
Open the door.
As if death is the obstacle that CAN'T be overcome and we won't still
Have that chance
To truly see our **Saviour** - who we all put to death - FACE TO FACE...AND
NOT JUST AT A GLANCE.

Because we now only see palely through the glass at the Power **He** does
Spread
To those who are bold enough to believe this - that **ALL WILL RISE TO BE
WITH HIM from the dead**
And only our “works” that were carnal will be burnt as hay, stubble and
Wood,
And be brought back Spirit and Soul with an incorruptible body **because
He only does what's “good” !**

This “**good**” is to “**save**” and return the “lost sheep” back to the **Father**.
Because **Jesus** and the bold “**ecclesia**” souls refused to let persecution
Bother
Their testimony of **Jesus Christ, His** salvation through **His blood**, and
Were willing to die.
This may actually be physically and end this mist of an “age”, but truly
Means **while** living...and this is why.

#94 Love... *BEFORE* First Sight

Paul said he “**died daily**” - which meant he constantly forgot the past, Confessed present failures, and looked forward

To bring unbelieving souls onto Noah’s Ark of “**rest**” and be looking Toward

The only way that brings life to a dead mind - **RESTING IN HIS FINISHED WORK**...

Not on what we see we ourselves and others do - but **His** children won’t Shirk

The responsibility which really is only what they were “**called**” to do...

Turn from evil, encourage the wayward, and be **Christ’s** light to the few **He’s** brought into your circle of friends and enemies...so you’ll be a Beacon

To hurting people who aren’t aware of the **God** who’s ALWAYS seekin’

The children of the **Devil** - **DISBELIEF** - to bring a new life

That will then also be given the blessings of **His** Spiritual wife.

A **Love** that’s the opposite of the chastening **Love of correction**.

His bride has cleaned up herself using **God’s** Power and walk the right Direction

Following the **2nd Adam** that **DID DO ALL** the **Father** did tell **Him** so he Could begin

Legally and justifiably the right to pay the price to be the **propitiation** for **EVERY SIN**

Ever committed by **ALL** humans...your brothers and sisters in the family Created by **His WORD**.

ONLY DISBELIEF - THE **DEVIL** - PUTS in the **SINFUL** MAN’S MIND the **THOUGHT** of **PUTTING**

Fellow men into an ETERNAL “HELL” **TO SUFFER** the **PUNISHMENT HE’S ALREADY PAID FOR . . .**

HOW SAD, SICK, DISTURBING, PERVERTED, UNFORGIVING,

UNMERCIFUL, UNGRACEFUL, UNBIBLICAL, UNHOLY, AND OBSURD !!!

P.S. (just to name a few adjectives) **HA.**
