

## #96 Sweet Dreams and God's STILL at Work

**"Sweet Dreams"**, my wife said as I went off to bed  
With what I thought was great peace, but deep down in my head  
At the R.E.M. level of sleep which takes some 4 hours to reach,  
**Even there**, the **Holy Spirit** is active and *continues* to teach!

Right at the 4 hour mark, I had an all too common dream  
Which ended up waking me after, in it, I made my wife scream  
In fear from the reaction she provoked me to take  
Which led to this poem, because my subconscious said: **"I'm still a fake"**

In the essence that **I'm totally at peace with how she treats Me, while I'm awake** - which I don't like - because it never meets  
My idea of how the flesh woman is to treat her Adam and mate.  
I'm still looking for my **"Eve"** to reunite with my Spiritual Adam - I still  
Must wait.

This is the process of my carnal Adam mind **wanting to FORCE her to see**  
The things she does **provokes a reaction** in me I don't **want to be!**  
Like **God** gets forced to show **He WILL NOT ACCEPT**  
This **provoking attitude** that makes the husbandman reject

The **harlot's non-compliance** with how the **"virgin wife"** must fear  
Her patient and loving **Lord** in the sense of **RESPECTING him IN ORDER**  
To stay near,  
And not have to run and seek worldly advice that gets her nowhere.  
The Bible teaches **she's to TRUST** His character & **not** make Him again scare

Her *back into line* and onto **the narrow path that leads**  
To a *peaceful* and **growing relationship** where she always concedes  
**And submits to draw out only His peaceful side**  
Which wants **TOTAL** intimacy with only His **VIRGIN BRIDE.**

**These poems are so long because in order to get to the point,**  
**I have to build the foundation first from where Love first grew** to anoint  
That foundation which is - as shown in the poem written just before this one -  
Is **God's Love Before 1<sup>st</sup> Sight**, which speaks of that provoking game to  
Be **DONE.**

And **IN ORDER** to **SEE** the **PICTURE of HOPE** as this ministry is called,  
One is commanded to continually wash our brother's feet so their  
Journey won't get stalled.

And when he comes in from the dirty road he's walked - the way  
Through the **world**  
Where we get dirty - the flesh man is made from dirt and must get  
**Hurled**

Out of its mouth - like the lesson of Jonah and the **whale**  
Which is again **God's** promise of how He deals with bad attitude and is  
Not just a tale.

Jonah didn't **WANT** to follow **God's** directions **TO OFFER REDEMPTION**  
To the people of Nineveh,  
Which was the **capital city** of **Babylon**; which **pictures the sin of a**

Whole **nation of rebellious people** who try to build their tower **UP** to  
**God**

But brought only confusion of language and separation from each other,  
And into the wilderness we all trod.

Again like the **PICTURE** and **LESSON** of **Cain**, or **Lot**, or **Esau**, or **Jacob**  
And **US ALL**,

But the **TRUE PICTURE** is like of **Abraham**, **Joseph** and ultimately **JESUS**  
Who listened and answered **God's** call,

And was led by the "**Good Shepherd's**" voice back into **the Father's Hand**;  
And given the land of Promise...Canaan, the New Jerusalem and souls as  
Numerous as all the **sand**

Of the entire world - **the PICTURE** of all the saved souls that can't be  
**Counted**,

And the stars in the heavens as Love's harvest on which the truth is  
**Mounted**.

Like **the PICTURE** of **Jesus** riding into Jerusalem as the servant and  
Willing to **die**

**For the sins of the world** - so like the smaller test for us is to **try**  
To **live** in peace with one another, with rulers and loved ones, and  
Enemies and **friends**.

Again **the PICTURE** of how a perfect relationship with **God's GRACE**  
Never ends.

## #96 Sweet Dreams and God's STILL at Work

So let's finally get to the dream I had that started this all.

My wife & I were with friends watching mankind attempting to stand tall  
By trying to reach into outer space with the quest to find answers  
To man's problems in our relationship to find **God** - which only brings  
**Cancers**.

It never got off the ground and a stranger couple we were talking to  
Got friendlier, and the wife started befriending me, which only drew  
My wife into a frenzy of jealousy and accused me of wanting to screw  
The other woman, which was not true. And off the handle I flew!

I started to run after my wife, who at this point had already put distance  
Between us because she knew the accusation would cause strong  
Resistance

Between our relationship as being faithful companions as husband & wife.  
She already knew this test would be as a stab in my heart with a knife.

So again, like I said, the **Holy Spirit** also was showing me  
As like **God's** character to be long-suffering...I have to set free  
The thought that *I need* to cram the written law down her throat.  
Because I try to show her the beam in her eye while my own has its own  
**Moat** .

That's why **GRACE** is the way to draw sinful man back near.

It's with **forgiveness** and **mercy** we'll show the lost sheep not to fear  
As **the PICTURE** of the Shepherd's way to save is not to be scared but  
With **REVERENCE**.

NOT do this or I'll get thrown to the wolves ending in a permanent  
**Severance**

From the **God** and **Father** of **LOVE** - that FEAR message IS the **false**  
Church's **WAY**

To scare the lost sheep back by threatening that there will come a day...  
As **Hebrews 9:27** says - this Earthly time will end - AND THEN the  
Judgment comes.

And if a verbal confession of **Jesus** wasn't spoken and a change shown -  
**INTO HELL** the lost sheep plumbs.

## #96 Sweet Dreams and God's STILL at Work

To continue on with this dream which **God's** word says **He'll** give as **He'll** Prove

To young men ( thanks **God**, I'm 54 ), to show us all what we still need to Remove.

She ran to the establishment and a man came to her side.

And as she and I, and our neighbors, Keith and Maryanne drove away in My ride

He latched on to the mirror and window of my truck to watch out for Her,

Even our friend, Keith gave her \$10.00 so she could leave and continue To stir

If she chose to separate again from me - Keith doesn't see **God's way** That this chastening happening to her is what happens to all...EVERY DAY!

Keith has a love for her - but it's Earthly in nature

Not understanding the **Law of Reciprocity** - whatever you put on your Plate you're

Going to have to eat and the results will be foreknowable.

**Eat the spirit of the world, Devil, and flesh...**and the effects will be Uncontrollable.

That's why **Jesus** came to lead those who **HEAR** and **OBEY** to FREELY CHOOSE,

To walk in the **LIGHT** He gives us all to find **LIFE** and **NOT LOSE**

One precious moment in time any longer because **TIME = LOVE.**

**QUALITY TIME** is what **God** wants us to share by always being gentle as A dove.

So this is where I woke up, my heart beating full speed.

The **Holy Spirit** told me while I was sleeping I still have a great need To give all situations to the **Lord** and let His timing take place.

Then in peace I will continue on as I deal with this lost human race.

## #96 Sweet Dreams and God's STILL at Work

This poem, and *all* that *I'm given* is meant to encourage *my wife* and *all* To repent - which means - **turn from one's own wisdom** & answer His call. The "**Good Shepherd**" always voices the direction back home And get back into His sheepfold from which we all do constantly roam.

**It's impossible with man to be perfect**, but with **God's** leading...not so. He'll never let go of any man...so **stop teaching** to Hell you'll go! **That's the Devil's and carnal man's way of repaying evil with evil!** Read the **scriptures** that promise **ALL** souls He's in the process of Retrieval!

**Romans 8:35-39** states that **NOTHING** shall separate us from the **Love of God**

And He'll eventually - even after Earthly death - give all men His nod Of acceptance back into His glory to be one with **our Father!**

The calling to preach this **TRUTH** to which only true believers of **Christ's Faith** will **care** to bother !!!
