

#97 Love...or in Love **WITH**

There's a **difference between** loving someone & being **IN LOVE WITH** them.
One is just a choice; the other has a bond that shines like a gem.
A diamond is the one that's said to last forever;
Probably because it took so much time and pressure to form the rock
That will withstand stormy weather.

It shines and reflects light so beautifully it draws one in
To a dream-like state of mind that can overcome any sin.
Its commitment is forever, and like **God's Love for ALL...**
Does overcome ALL SIN He knew & allows to happen to each since we all
Do fall.

It represents **God's Love** but it doesn't speak to the **Love** He has
For His "**Virgin bride**" that's made herself clean from all this jazz
That **this world, flesh & the Devil** throws our way but **given GRACE** to rise
Above the selfish ways that default most from the prize.

This is because He's only **in Love WITH** *certain, special* souls **who choose**
To let the sharing of each other's burdens comfort themselves...instead
Of, let's say... booze.

***There are many warnings and pitfalls explained in the Proverbs of
Wisdom for the wise,***

Which **differs** from **the wisdom of fools** which are **deceived** by their
Unrighteous lies.

***People who don't allow the shepherd's staff to correct their wayward
Ways***

Go through life and marriage constantly obsessed in a **LONEY DAZE**.

They wonder why their lives are **so filled with** trouble and strife

And **DON'T FEEL THE LOVE** of their God, and or husband who longs to
Give **this special gift** to his wife.

#97 **Love...or in Love WITH**

They don't see or get blessed by the companionship the **"Virgin wife"**
Will receive

Because they aren't doing their part...which is **"SIMPLY BELIEVE"**
THAT God's words bring life through death and an understanding about
Pleasure.

**This is the principle that ...the more you give out to Love, the greater
Your treasure !**

True Love will overflow like a fountain turned on
So open that it can't contain any more darkness - like each morning's
New dawn.

It will happen no matter what you say, think, do or demand.

**HIS MERCIES ARE NEW EVERY MORNING...is the word of His
Command.**

MERCY is the **GIFT** that allows growth to be made.

His sunshine as the **LIGHT** of **TRUTH** will **CONQUER ALL** and erase all the
Shade

Of any darkness of doubt of whether He or your mate's **Love** is real.

It energizes this overflowing of **GIVING GRACE** with an unbounded zeal !

So **MERCY** and **GRACE** are the **GIFTS** of **God's way that propel Love to
Grow.**

But one must be in Love WITH someone else for this crazy way **to show.**

Whether single or married, the "one" to whom **WITH** must be

Is the person of JESUS, who came down from Heaven, lived, died and

ROSE to set you free !

To be in Love WITH the person you're married to, **you must SEE** in your
Mate

That to die to your selfish attitudes is the path to your fate.

It may hurt like Hell, but I know it hurts like Hell way more

When one refuses to let this **true Love** live and **let JESUS open the door**

#97 **Love...or in Love WITH**

That you first have to knock on - this shows that you do have the will
To give to your **Lover** as much as you can...**and even more still !**
This abundance doesn't come from your flesh or mind, but from OUR
FATHER,
Who first had to put in you the desire to even bother

To go *through the fires of Hell* to get to this point.

The diamond in the rough is this **Love** inside you that the **Holy Spirit** will
Anoint

That will comfort and guide you through all of your tests and trials.

If you're asked to walk a mile in their shoes, you'll gladly walk two miles!

**So like the Bible says...TRUE LOVE ALWAYS PUTS THE OTHER'S NEEDS
FIRST.**

If they're hungry, you'll feed them, and if their mouths are parched for
Water and do thirst

You'll supply their need, physically, and spiritually for the water of
Baptism of the Holy Spirit to be poured upon them,

You've also fed them "**The Bread of Life**" by showing **JESUS** of Nazareth,
THE MOST PRECIOUS GEM ! ! !
