وَلِلّٰهِ الْأَسْمَاءُ الْحُسْنَىٰ فَادْعُوهُ بِهَا ۖ وَذَرُوا الَّذِينَ يُلْحِدُونَ فِي أَسْمَائِهِ سَيُجْزَوْنَ مَا كَانُوا يَعْمَلُونَ ﴿١٨٠﴾

**For Allah Alone** are **Asmaa ul Husnaa** So Call upon Him by Them and **keep away from the company of those who distort His Names** ; Surely they shall be retributed for what they used to do.

**Al Qur'an** : Sura **Aaraaf** : 07 Aayat : **180**

**Be WARNED !!!**

“Asmaa ul Husnaa” are only those Names and Attributes of Allah that Allah mentioned in Al Qur'an **or** Muhammad (s) mentioned in any of his authentic Hadees.

**Attributing to Allah any Name or describing His Attribute not affirmed in the Qur'an or authentic Hadith is strictly Harām (strictly forbidden)**, as it would constitute distortion of His Names and Attributes, as warned by Allah in the Aayat from Sura Aaraaf : 7 : 180 cited above.
