

In Islam The Importance of The

JUM'UA - FRIDAY

Eid ul Muslimeen : Ibn e Ma'jah : 02 H : 1098

O Muslims! When the call to prayer is made on Friday, then proceed diligently to the Remembrance of Allah and leave off 'your' business. That is best for you, if only you knew. Once the prayer is over, disperse throughout the land and seek the bounty of Allah. And remember Allah often so you may be successful.
