**IMPORTANT! PLEASE READ:** By approving this proof, you acknowledge that you understand and accept the following terms. Your order will not be produced without proof approval. All spelling, content, and layout shown on the proof are correct. We make every effort to display accurate color, sizing, and placement on our proofs. However, this proof is intended to be used as an estimated representation only. The actual finished product will vary slightly. There may be mis-registration on multi-color designs, within industry standards. If your artwork is color sensitive, please provide our customer service team with PMS colors prior to proof approval. Color matched art may be subject to an additional set up fee. All art is printed using CMYK. Even PMS matched colors will not match the Pantone colors exactly due to the CMYK printing process and product substrate. We give no guarantees to precise color matches but will make every effort to get as close as possible. If color is of high importance, please request a spec sample prior to approving the order. We will print within a 10% variance of an approved spec sample. If a spec sample is not requested, refunds or replacements due to color inaccuracy are not permitted.
