CUT-TO-SIZE GUIDE

**TOURNAMENT BELT
PROGRAM**

STEP ONE: CUT

Reference the size markers on the back of the belt and select one larger than your actual size.

Ex: If you're a size 36, then cut along the 38 marker with the provided scissors.

Insert the cut edge of the belt all the way into the middle slot of your buckle.

Make sure the metal 'teeth' are pushed out of the way first.

STEP TWO: INSTALL BUCKLE

1

STEP THREE: SECURE BUCKLE

Push the clasp with the metal 'teeth' down very firmly to secure the buckle into place.
