Beautiful dancers and beloved families,

Your commitment to Dance Theater West is sincerely appreciated.

At this time we can't know what the schedule will look like moving forward, but please understand that you will be credited for classes and recital fees for whatever we might need to cancel.

Credit will be extended toward all future classes, including Summer Dance 2020, Fall 2020 and Winter Fairy Tales 2020 (Holiday Performance TBA).

If you require other arrangements we will address your needs as soon as the dust settles.

Keep dancing! Susie
