Keep Dancing!

Let's look forward to better times.

Winter Fairy Tales 2020

Amber, The Snow Queen, and I have been planning an exciting holiday production. This conversation started in the fall, long before our current crisis. Don Quixote dances we've been working on, Frances Cohen's La Llorona-The Mexican Folk Tale, and other exciting Latin inspired dances will come together in a great collaboration of Dance Theater West and the dancers of Center Dance Ensemble. We will make this the most exciting holiday show in the valley! Dates, at this time, are not available for scheduling, but we do have Scottsdale Arts reserved space that will be available.

Fairy Tale Ballet

Creative ballet, young dancers and jazz will create magic. Each with a very special story in dance.
Format to be determined.

For now

While we don't know what the spring will look like, we'll be back to doing what we love with the fellow dancers we love as soon as possible. Until we dance together again keep moving to music, save your creations on video, write your thoughts on paper and keep dancing !
