Greetings

On behalf of **The Maconite Scholarship Organization of St. Louis**, an IRS approved 501(c)(3) tax exempt nonprofit organization, I am honored and privileged to serve as the St. Louis Chapter president and to be working with such a great group of hardworking, dedicated and committed individuals.

Through our network of families and friends, we have been serving and assisting generations for **57 years!** In 57 years of existence, we are proud to have helped hundreds of students further their education at over 50 colleges and universities.

Our goal and vision is to reach out and reach back to help the next generation, one individual at a time, while planting seeds of ***Success, Education, Excellence, and Empowerment.***

Respectfully,

Dorcas Haynes
President, St. Louis Chapter

Mission

The mission of the **Maconite Scholarship Organization of St. Louis (MSOSTL)** is to provide postsecondary educational opportunities to members of our community who otherwise would not have the financial means to fulfill their educational goals. Our vision is to be one of the leading organizations providing funding to students who need it.

MSOSTL originated in 1969 in St. Louis, Missouri when parents of students contributed a nominal amount for the benefit of students who otherwise would not have had the resources to continue their education beyond high school.

Through our network of families and friends, we have been serving communities and students for over **57 years.** Assisting students will shape the minds of many generations; and a college education is crucial to creating a “generational learning legacy.”
