# Monochrome & Green Dream

## ~ Eclectic Style

The Monochrome & Green Dream, is a striking scheme designed to create an Eclectic blend of Boho Interior Design Styling infused with Minimalist Design Elements.

# Styling Tips & How to's

Green accent colour in the use of plants to lift the schemes monochrome palette

Bold, plain black frames create strong and dynamic contrast to the minimalist wall finish

Cushions and natural Pampas grass add a softness to this edgy fireplace styling.

# Yellow Mellow

## ~ Boho & Natural

Yellow Mellow fireplace styling scheme is a Natural Textural Interior Design Style, which defines contrast.

Accessorising out of context adds interest to this styled piece.

# Styling Tips & How to's

The colour scheme is influenced and achieved by the natural tones of the items used, timbers, bark and reeds.

Large bespoke art takes centre stage and an attractive thrifty upcycled wine bottle with dried eucalyptus compliments it perfectly

A natural jute rug highlights the fireplace. The timber step acts perfectly as additional shelving for the trailing faux plant and candles.

# 51 Shades

## ~ Neutral & Dreamy

Tonal and sumptuous, this fireplace styling scheme contains elements of an Scandinavian Interior Design Style and has a warm, welcoming and serene quality.

# Styling Tips & How to's

The minimal colour palette is highlighted with soft pampus grass creating a soft and dreamy ambience

Gold metallic accents in the mirror add to its reflective qualities, illuminating the styling accessories that surround it

Woven elements in the tray, herringbone rug and star add earthiness and nature.

# Blend of Bohemian

## ~ Miscellaneous style

A Boho & Shabby Chic Infused  
Interior Design Style.  
This style is not for the faint hearted  
and lends itself towards a boutique  
retail display.

# Styling Tips & How to's

Utilising the cast iron insert to display dried flowers allowing an organic overflow.

Woven tapestry, wall hanging creates a soft and textured background, fantastic for layering framed pieces.

Plush faux fur rug signifies a luxurious style, and the elevated plants add interest.
