Greetings C.G.M.A Family and Friends:

First giving all thanks and praises to our Lord and Savior Jesus Christ. It gives me great pleasure to congratulate each and every scholarship award recipients past and present.

I've been a member of this great organization for 15 years. Words cannot express how grateful and thankful I am to be a member of a thriving organization. I'm honored to serve as C.G.M.A.'s Vice President. I enjoy working alongside the most outstanding President and Founder, Cynthia Goodloe Palmer and dedicated association members. We all work very hard in helping our founder's vision come to past. During these 15 years, I've learned how to esteem others and give back to the community. I've grown spiritually and musically.

It warms my heart and brings me great joy to see the bright smiles on the students' faces as they receive their musical scholarship awards. As a child, I was always taught (Acts 20:35) "it's more blessed to give than to receive". To be able to help someone other than ourselves is worth far more than money. If it had not been for The Lord on our side and Him touching the hearts of you our generous supporters we would not have made it. Just know the seeds that you've sown into this great organization you shall reap a harvest.

It is my prayer that I along with the organization members that we keep striving to be the best we can be. And that we can continue serve our community.

May God continually and bountifully bless each and every one of you.

Sincerely,

Jearlean Jones

~ EVANGELIST BEVERLY CRAWFORD ~

It is not often that you find a minister or ministry that is earmarked with the effectiveness and efficiency of a skilled surgeon yet touches your heart with the compassion of the Father. Such a ministry is resident in Pastor Beverly Crawford. The co-pastor and the co-founder of Gainesville Family Worship Center, Pastor Crawford has been touching the lives of God's people for over 20 years.

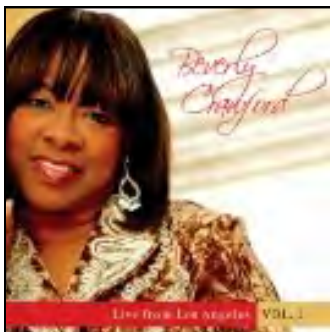

A licensed and ordained evangelist, her ministry of reconciliation and restoration has taken her throughout the United States and abroad to such places as Europe, and the Caribbean Islands.

It is this ministry that seeks to mend the scarred and broken areas of the lives of God's people that has endeared her to so many. The love of Jesus, so evident in her life, reaches out to all who will hear the Gospel message.

Through her ministry many leave knowing that they can go on despite the obstacles in their life. She leaves all who hear her with an inspirational message knowing that they too can achieve greatness in God. This theme of excellence has taken her from professional lead singer with Bobby Jones, to Stellar Award Winner along with Dove and Grammy nominations and to record deals with Warner Bros. and EMI Gospel/Dexterity Sounds.

Pastor Beverly Crawford is a much sought after psalmist and speaker. As an actress she has appeared in Bishop T.D. Jakes play, "Woman Thou Art Loosed", and numerous other productions.

Pastor Beverly Crawford is the wife of Pastor Todd Crawford and the devoted mother of Latrina and Todd, Jr.. Their church is located in Gainesville, Fl.

Early life

Born on August 31, 1963 in Gainesville, Florida, she is one of seven children born to the late Bishop Walter Camps and his wife. She began singing at the age of three and joined her sisters as part of the Camp Sisters.

Career

In the late 1980s, her husband, Todd Crawford, recorded a homemade video of her and her sisters singing and submitted copies to several gospel companies, with Bobby Jones Gospel the only one responding. Being impressed with the sisters, Bobby Jones invited them to sing on his show, and after about a couple of visits, he invited Beverly to join his group, New Life.

*Beverly stayed on the show for six years, where she was a favorite every week. She began her solo career in 1995 with the release of *Jesus, Precious King* on Warner Alliance Records (now defunct), followed three years later with *Now That I'm Here*, which includes the hit title song and "Just As Soon (I'll Be Shouting)". The latter album was nominated for a Grammy in 1999.*

*In 2001, Crawford released a studio album (except for one live song) entitled *Beverly* on Dexterity Records (the label of the prominent minister Bishop T.D. Jakes) and in 2003 returned to the live church setting with *Live Family and Friends* which includes "Higher in the Lord" and "Hold On", and featured guest such as Bobby Jones, Shirley Murdock, Melvin Williams of the Williams Brothers, and her daughter Latrina Crawford. In 2007, she released her fifth album, *Live from Los Angeles*, on the LA-based JDI label, which contained the number one hit "He's Done Enough". The song stayed on the top ten lists for over a year.*

*In January 2009, Crawford won her first Stellar Gospel Music Award for "Traditional Female Vocalist of the Year" for her 2007 release. On September 19, 2009, she recorded her second album with JDI, live from Los Angeles at Faithful Central Church. It's entitled *Live from Los Angeles - Volume 2* and feature guests, including Shirley Murdock. It was released on September 14, 2010 and includes the hit single "It's About Time for a Miracle".*

"Start children off on the way they should go, and even when they are old they will not turn from it." – Proverbs 22:6

Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. – 1 Corinthians 13:4-7

"May your spirit and soul and body be preserved complete." (1 Thess. 5:23b)

"In their medical practice, Dr. Robert Moore and Stephanie Moore (Registered Dietician) bring proven qualities of competence and compassion which, when factoring in the spiritual component, cause synergism of healing. I have received unparalleled care during illness; have been taught with positive encouragement how to eat healthy; and have received sensitive prayer. Subsequently, I have had medication lowered; lost 20 pounds in 6 months; and sense a spiritual peace." **Bishop Ruth Urban**

WHAT IS WHOLE BODY CRYOTHERAPY ?

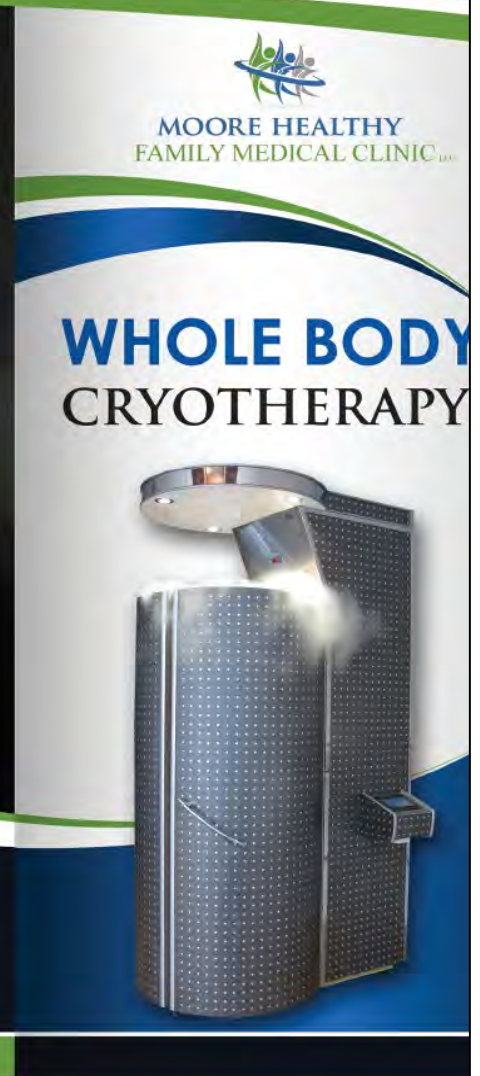

With Whole Body Cryotherapy (WBC) the body is exposed to ultra-low temperatures, triggering a systemic anti-inflammatory response. This modality was first utilized in Japan in the early 1970's by Dr. Yamaguchi to treat rheumatoid arthritis. Studies conducted over the last two decades have established WBC as a powerful treatment for inflammatory disorders and injuries. Professional athletes have discovered WBC as a powerful treatment to decrease recovery time, increase athletic performance, and boost the body's metabolic rate.
