About Us

Be Someone Sports is a youth sports organization for kids between Kindergarten and 8th grade. We currently host leagues for basketball, volleyball, and flag football. Our mission is to inspire and empower individuals to achieve their full potential through sports. We strive to create a positive and inclusive environment where everyone can develop their skills, build confidence, and experience the joys of athletic achievement. Our programs and activities promote physical fitness, teamwork, and sportsmanship while instilling determination, perseverance, and respect. Our ultimate goal is to help individuals become their best selves on and off the court or field.

We understand costs of a program such as this can be out of reach for some families. Be Someone Sports allows donors to make anonymous and/or sponsored promotional donations, promoting the donor's organization of choice. These donations go directly towards league dues and operations, allowing kids the opportunity to participate in our programs. We also have season-specific sponsorship opportunities that help us elevate our unique youth sports experience, making it truly the best league around. You'll have the chance to promote your brand to a large audience of local residents while supporting our wonderful athletes.

We thank you for your sponsorship consideration and for assisting us in growing our legacy. Please review the sponsorship benefits for the level that fits your organizational needs best.

Thank You
Steven Parsons
