- Library-by-Mail brings the library to you! All qualifying residents of Greene County can receive library materials, at no charge, through the mail.

Who is eligible for this service?

- You qualify if you are both:
 - Temporarily or permanently homebound
 - Live in Greene County

What can I request?

- You may request specific titles/formats or the library staff will make a selection for you based on your interests.

There is a limit of 2 items per mailing.

When are items due?

- Loan periods are specific to each situation and will be determined after your application has been approved.

How do I sign up?

- Complete the application and contact your home library to let them know you would like to take advantage of the Library-by-Mail program.
- The library staff will then contact you to review your eligibility, discuss your interests and reading habits, and answer any questions you may have. A verifiable ID and address will be needed. Questions about that can be answered by your home library.
- Materials will be delivered to your home via the United States Postal Service in a reusable bag. You will return the items in this same bag, prior to the due date.
- Postage will be paid both ways by the Greene County Library System.
