Nor shall any dwelling exclusive of open porches, carports or garages, or patios be permitted on any Lot in this subdivision at a cost of less than \$20,000, based on cost levels prevailing on the date these covenants are recorded. As used herein, the term "residential purposes" shall be construed to prohibit mobile homes or trailers being placed on the Lots, or the use of said Lots for duplex houses, garage apartments, or apartment houses; and no Lot shall be used for business or professional purposes of any kind, nor for any commercial or manufacturing purposes. As used herein, the term "residential purposes" shall be construed to prohibit mobile homes or trailers being placed on the Lots, or the use of said Lots for duplex houses, garage apartments, or apartment houses; and no Lot shall be used for business or professional purposes of any kind, nor for any commercial or manufacturing purposes. A minimum of 25% of the first floor wall area to the top of the first floor window height and exclusive of openings shall be of masonry, masonry veneer, or stucco construction.

ARTICLE III. SECTION 7. Use of Temporary Structures. No structure, other than the permanent residence, whether trailer, basement, tent, shack, garage, barn or other outbuilding shall be maintained or used on any Lot at any time as a residence. One outbuilding used for accessory storage or other normal residential purposes may be constructed or moved onto each lot. Such building shall be limited to no more than eight (8) feet in height and one hundred twenty (120) square feet in area, as measured from the exterior walls. Such outbuilding shall be constructed or placed within a backyard surrounded by a wooden fence between six (6) and eight (8) feet in height and shall be reasonably screened from public view. Its placement shall not interfere with any easements located on said lot. The location, outbuilding plans, materials and quality of construction shall be subject to approval of the Architectural Control Committee or any other committee hereafter designated by the Board of Directors for such purpose. Declarant reserves the exclusive right to erect, place and maintain such facilities in or upon any portions of the Properties as in its sole discretion may be necessary or convenient while selling Lots, selling or constructing residences and conducting improvements upon the Properties. Such facilities may include, but not necessarily be limited to sales and construction offices, storage areas, model units, signs and portable toilet facilities.
