SURFCOAST DANCE COMPANY

2027 Fees

Simple term pricing, with your costumes included.

Every term is charged as 9 classes. Some terms run a little longer or shorter, but your fees stay the same each term, which makes budgeting easy. Each class fee now includes that class's costume, so there is no separate costume levy (unless your child is on unlimited class eg; more than 4 classes, in that instance a costume will be charged separately for those).

Class fees

Class length	Tuition per class	Costume per class	Total per class	Term fee
