ACRO & MUSICAL THEATRE CLASSES

Our new classes for 2024 have launched with a bang! The excitement and energy in the studio are palpable as dancers dive into our latest offerings. From ballet to jazz, musical theatre to acro, there's something for everyone to explore and enjoy.

Even with the enthusiastic response, we still have spaces available in these fantastic classes. If you're curious about what we have to offer or want to experience the magic for yourself, we invite you to join us for a trial class. Come be a part of the fun and discover the joy of dance with us!

It has come to my attention that some invoices have gone to families' junk mail folders, and as such, we have an unusually high number of overdue invoices outstanding. If everyone can please check their junk mail folders that would be wonderful!
