

Mental Health Therapist Position

Please Apply by sending resume and cover letter to : hire@collectivewellnesscc.com

Collective Wellness Counseling and Consulting, a group mental health practice located in Michigan is looking for part-time and full-time therapists to join our team ! We believe in supporting clinicians through every step of the therapeutic process and offer a supportive family oriented environment. We provide a consistent flow of referrals, administrative/billing support, help with the development of a clinical specialty, and professional development opportunities. We are looking for therapists who will support our mission in offering compassionate, culturally responsive services to the community. We are a *telehealth practice* with some in-person (hybrid) options available as needed.

Our team has advanced training in EMDR, Internal Family Systems (IFS), and Emotionally Focused Therapy to name a few. We are passionate about the training, development, and care of mental health clinicians

We provide:

- Consistent flow of client referrals and placement
- A supportive and collaborative, family-oriented work environment
- Professional Development & Team building opportunities (such as paid EMDR training and staff retreats)
- Administrative support
- Competitive compensation -For Limited License 65% to start until fully licensed and 75 % once fully licensed
- In house benefit verification, billing and follow up on payments
- In house administrative support scheduling appointments
- Individual and group supervision

Requirements are:

- Current State of Michigan license as Psychologist, Psy D, LMSW, LLMSW, LPC/LCPC or LLPC, LMFT, limited license is ok.
- Willing to work at least 8 hours per week, all schedules are flexible.
- Minimum 1 year post licensure
- Preferred: Paneled with insurance companies (BCBS, Blue Care Network)
- Preferred: private practice experience

Skills needed:

- Solid clinical diagnostic, assessment, and treatment skills
- Strong interpersonal skills enabling effective communication and collaboration
- Positive and optimistic attitude that can handle flexibility and change
- Organizational skills and ability to manage patient records
- Self-discipline and ability to set priorities in regards to documentation
- Comfort with electronic records and use of technology
- Compassion, humor, and respect for clients and colleagues
- Desire for self-development

We prefer our therapists to have a specialty, or a desire to develop a specialty such as trauma, anxiety, depression, couples, life transitions, teens, young adults, couples, trauma, play therapy, etc.

Required education:

- Masters or Doctorate in Social Work, Counseling, Marriage and Family Therapy, Clinical Psychology,
