#### **Procedure for Virtual Public Meeting**

Governor Whitmer issued Executive Order Number 2020-75 on Wednesday, May 6, 2020 to allow focal government bodies (including their boards and commissions) to conduct remote meetings and expressly suspended compliance with section 3 of the Open Meetings Act to alleviate physical presence requirements in recognition of the threat imposed by the COVID-19 virus. In order to comply with Executive Order 2020-75 and to best meet the intent of the Open Meetings Act, the Village of Shelby shall:

- Continue with regularly scheduled Council Meetings, as deemed essential, via Zoom videoconferencing and teleconferencing.
- The Village is committed to staying as accessible as possible. Due to the limitations of technology, Village staff encourages residents to send an email with your comments to <a href="mailto:administrator@shelbyvillage.com">administrator@shelbyvillage.com</a> that will be read into the public record. This will decrease the demand on our virtual meeting infrastructure. Thank you in advance for your understanding.
- For those who prefer to use a telephone to participate, you will need to call +1 312 626 6799 and enter the Meeting ID Number and Password (information posted below). When prompted, enter a participant number or just touch the # key. During the call, use \*9 to "raise hand" and you will be called on by the last 4-digits of your phone number. (For example, my last digits are 8296. Callers will be asked to speak by referencing the last 4-digits of their phone number.) Note: Telephone participants will have their phone numbers masked, to protect their privacy.
- Please remain patient as staff will do our best to assist everyone but be advised for virtual meetings there will be a strict three (3) minute limit for public comments.
- Zoom is available: as an app on Mobile and Tablet; as an app on PC/Mac laptops and desktops with audio and video capabilities; or dial-in via phone.
- Participants or "public" will be muted during the meeting and must "raise hand" to be called on, during the public comment period.
  - If you are participating via telephone dial-in, use \*9 to "raise hand" and you will be called on by the last 4-digits of your phone number.
  - If you are participating via the Zoom app, simply click "raise hand" and you will be called on by the meeting host.

For assistance or questions for accessing and/or making public comment during the meeting, please reach out to Rob Widigan at 231-861-4401 or by email: administrator@shelbyvillage.com.

The Village again thanks everyone in advance for your patience and cooperation during this very unique time.

#### 6. PRESIDENT'S REPORT:

President P. Inglis reported that VA Widigan, DPW Supervisor Greg MacIntosh and he received notice on May 1, 2020 that the Oceana County Stormwater Trees project has been delayed until late October 2020. The decision has been reached as a result of three factors.

- 1. The contract with Cardno to do the planting work is currently being finalized. Cardno had communicated that, because of their back up of existing work orders from delayed work that had been scheduled to be completed in March and April, they would not be able to complete the project's planting until midsummer, a time of the year that is less ideal to plant, given the hotter and drier weather.
- 2. This round of 316 trees will be mainly bare root stock, which needs to be planted in the Spring or Fall versus the Summer.
- 3. Additional time needed to confirm state approvals regarding planting work on the Hart Montague Trail. The project is tentatively scheduled for October 26 30, 2020.

#### 7. ADMINISTRATOR'S REPORT:

VA Widigan reported that 24 applications had been received for the fellowship position provided by the Community Economic Development Association of Michigan (CEDAM). Over the past week and a half, VA

Widigan has interviewed eight applicants. On Friday, May 8th, he spoke with Sarah Teater, Community Development Fellowship Coordinator, CEDAM, and they will be interviewing four finalists the week of May 11, 2020.

On May 15, 2020, VA Widigan will be remotely tuning into the Consensus Revenue Estimating Conference. This will give a closer look at possible reductions to state revenue sharing and sales tax revenue.

Chief Farber and VA Widigan continue to participate in weekly Zoom meetings with District Health Department #10. They include updates and information from DHD#10, Oceana County Administration, Oceana County Sheriff, local police, fire and EMS agencies, West Michigan Community Mental Health, Northwest Michigan Health Services, and Mercy Health Lakeshore Campus.

VA Widigan reported that, on May 7, 2020, the EDA released the Notice of Funding Opportunity (NOFO) for the \$1.5 billion the agency has received through the CARES Act. This funding is to provide strategic investments on a competitive merit basis to support economic development, foster job creation, and attract private investment in economically distressed areas of the United States. Jodi Nichols of the Right Place and VA Widigan are working with WMSRDC to submit a couple of economic development funding requests for the Village of Shelby.

Al Martin, Kittie Tuinstra and VA Widigan have been working together to finish the Option Agreement and other required documents for the 15-unit workforce housing development at 220 Walnut Street. The application is due June 1, 2020.

VA Widigan reported that the grant applications for Getty Park have been submitted. Racket Sports visually inspected the condition of the basketball and tennis courts at Getty Park. They stated that the basketball courts are in dire need of repairs and are not confident that they can do any temporary repairs that will work. They do believe that they can patch areas of the tennis court, but they are not certain how long it will hold.

Councilmember A. Near will do some research into whether the roof coatings he uses could be an option for a temporary fix to the basketball and tennis courts.

#### 8. DEPARTMENT HEADS' REPORTS:

DPW Supervisor Greg MacIntosh reported that the crew will be doing cold patch repairs as well as working on parks this week. The Water Tower is painted, and the lettering and logo will be done soon.

Chief Farber reported that he is participating twice a week with zoom calls with other local authorities. Peterson Farms and PM Collision donated PPE to the Village of Shelby Police Department and several other essential front-line workers in the Village of Shelby and Oceana County. The Police Department has been participating in several parades for local children's birthdays as well as a parade that took place for the Shelby Senior Class.

#### 9. CORRESPONDENCE:

#### a.) Letter of Appreciation from Barb Setlak

President P. Inglis read a letter of appreciation from Barb Setlak thanking the Village for the beautiful arrangement sent in memory of Rich Setlak. She expressed how much the Village meant to Rich and how proud and honored he was to have participated in the Village of Shelby.

**10. CITIZEN PARTICIPATION:** No Citizen Participation.

#### 11. OLD BUSINESS: No Old Business.

#### 12. NEW BUSINESS:

#### a.) <u>Sewer Jetter Repair – Greg MacIntosh</u>

It was taken to Fedrickson's who repairs sewer jetters. They returned a quote for repairs in the amount of \$5,829.38. The cost of replacing the jetter is between \$25,000.00 and \$35,000.00 for a used replacement and \$31,480.00 and \$64,437.00 for a new replacement. ### Memo

**To**: Shelby Village Council

From: Robert Widigan, Village Administrator

Date: May 26, 2020

Re: VA Update

Not a ton of new information this week – below are some re-caps and updates.

**CEDAM Fellowship Interviews:** Sarah Teater, Community Development Fellowship Coordinator with CEDAM; Julia Turnbull, RRC Planner for Redevelopment Ready Communities with the Michigan Economic Development Corporation, and I interviewed five finalists during the week of May 11, 2020. Sarah Teater has made a conditional offer to one of the five finalists. If/once they accept, we will send out a press release and introduce them to the Council and Community.

Consensus Revenue Estimating Conference: On May 15, 2020 I remotely tuned into the Consensus Revenue Estimating Conference. To summarize the State is looking at a stunning \$6.2B shortfall in current and next fiscal year.

The House Fiscal Agency, the Senate Fiscal Agency and the Department of Treasury agreed the state is looking at \$2 billion less in the General Fund and \$1.2 billion less in the School Aid Fund compared to January estimates for the current fiscal year while having \$1.9 billion less to work with for General Fund spending and \$1.1 billion less for schools during the 2020-21 fiscal year beginning October 1.

With \$700 million left on the balance sheet, the state is looking at a \$2.5 billion hole in the current fiscal year.

We will continue to monitor the Village's budget and review updated Revenue Sharing estimates as the Michigan Department of Treasury releases them.

**COVID-19:** As of writing this (5/22/2020 at 7:06 AM) Oceana County has 70 cases.

On Thursday, May 21, 2020 Governor Gretchen Whitmer substantially relaxed her stay-at-home order, announcing that starting immediately (05/21) people can begin gathering in groups of 10 or less with social distancing.

On Thursday, May 7, 2020, Governor Gretchen Whitmer signed Executive Order 2020-77 to extend Michigan's Stay Home, Stay Safe order to May 28.

Section four (4) of Governor Whitmer's Executive Order (EO) 2020-77 issued on May 7, 2020 states: "No person or entity shall operate a business or conduct operations that require workers to leave their homes or places of residence except to the extent that those workers are necessary to sustain or protect life, to conduct minimum basic operations..."

Section six (6) of the Order states: "All in-person government activities at whatever level (state, county, or local) are suspended unless: (d) They involve public transit, trash pick-up and disposal (including recycling and composting), the management and oversight of elections, and the maintenance of safe and sanitary public parks so as to allow for outdoor activity permitted under this order.

It is critical that the Village of Shelby continues to follow the EO and continues to operate with reduced staff and keep the Village Hall closed to the public. EO 2020-77 takes effect immediately, unless otherwise specified in this order, and continues through May 28, 2020 at 11:59 pm.

DHD#10 COVID-19 Zoom Meetings for Oceana County: Chief Farber and I continue to participate in weekly Zoom meetings with the District Health Department #10. They include updates and information from DHD#10, Oceana County Administration, Oceana County Sheriff, local police, fire and EMS agencies, West Michigan Community Mental Health, Northwest Michigan Health Services, and Mercy Health Lakeshore Campus.

**DPW Crew**: The DPW crew has been at full-staff Monday, May 11, 2020. The following rules still apply:

- Only one person is allowed per vehicle.
- All tools and vehicles shall be sanitized after use.
- Employees shall remain at least six feet from people from outside the individual's household to the extent feasible under the circumstances.
- Masks shall be worn when indoors and when interacting with other individuals.
- Minimum or no visits to the main office unless necessary.

**Economic Development Administration (EDA):** After reading through the Notice of Funding Opportunity (NOFO) issued by the EDA for the \$1.5 Billion the agency has received through the CARES Act, property acquisition is allowable. However, it will have to be at fair market value, including multiple appraisals, and the landowner must agree to the fair market. As you may recall, one of the economic development funding requests Jodi Nichols, and I thought of after speaking with WMSRDC, was expanding the Village's Industrial Park

Employment & Unemployment Statistics: The Michigan Bureau of Labor Market Information and Strategic Initiatives released Employment and Unemployment Statistics for March. Oceana County's unemployment rate decreased to 6.5 percent in March of 2020 from 6.7 percent in the previous month. There were 11,391 people in the labor force, with 10,645 employed and 746 unemployed. April's statistics are not yet available. \*Notes: All estimates are preliminary. Data is not seasonally adjusted.

Michigan Municipal League (MML) Webinars: I continue to attend webinars put on by the MML covering topics from COVID-19, Zoom Council Meetings, the 2020 Census, Municipal Water Supply, Community Cost from COVID-19, and so on.

Michigan Unemployment Rate: On Wednesday, May 20, 2020 it was reported that unemployment exploded to 22.7% in April. The March unemployment rate was 4.3 percent. 22.7% unemployment is the highest since at least 1976, which is as far back as comparable estimates go.

Oceana County COVID-19 Interagency Zoom Meeting: President Inglis, Chief Farber and I continue to participate in weekly Oceana County COVID-19 Interagency Zoom meetings. The purpose of these meetings is to share information and updates from local agencies regarding their COVID-19 responses, resources and needs in the Oceana County Community.

**Village Office**: Randy and Crystal have returned to normal scheduling. While the office is closed to the public, it is staffed five (5) days a week. As to re-opening to the public, we will wait and see what Governor Whitmer recommends closer to May 28, 2020; when her Executive Order No. 2020-77 'Stay Home, Stay Safe' order is set to expire.

**Re:** Water Tower Update

The work on the water tower is done and it looks pretty good. Per startup procedures:

- We filled the tank 5% then a chlorine dose was applied.
- We then shut down the flow and let it set overnight.
- On May 21, 2020 we filled the tower to overflow then shut down the flow and will let it set for 24hours.
- On Friday, May 22, 2020 we will take the 1st bacti sample.
- Saturday, May 23, 2020 we will take a 2nd bacti sample.
- If these samples come back good, then we can put the tank back in the system on Tuesday, May 26, 2020.
- On Tuesday (05/26) Steve from Smith Instruments will be out and put the controls back to their normal positions.

Currently the tower is not in operation, so we are still using the blowoff valves on the hydrants. If all goes smoothly and our bactis come back good, then we should be back to normal sometime next Tuesday.

Re: Industrial Lift Sewer Spill

In the early morning of Thursday, May 21, 2020 we had a sewer spill at the Industrial List Station. The cable broke on the transducer and the transducer was sucked into the pump rendering it in operable. Because of this it failed to call an alarm. Based on the water level on the dike and the saturation of the surrounding soil, we estimated the duration of the discharge to be approximately 2-3 hours, spilling around 7,986 gallons. It did not appear to reach Piper Creek but hold up in the low areas between the creek and the lift station, but we do not know for certain that it did not reach the creek. We followed the protocol for this type of occurrence and took the steps listed below.

- Jere and I got the pumps working, cleaned off the transducer and Jere replaced the cable with a heavy duty one.
- Kirk and Darryl applied sand and chlorine to the site, to absorb and sanitize the standing water and affected area.
- I notified VA Widigan of the event.
- I contacted the Health Department, EGLE and Oceana Herald Journal.
- At the advice of Mark Hill from the Health department; for precautionary measures, I took five (5) samples of the creek. One (1) at the lowest area by the creek and the most likely place for water to enter the creek, one (1) at 100' downstream, one (1) at 300' downstream, one (1) at 100' upstream and one (1) at 300' upstream.
- I will send an S.S.O. Report (Sanitary and Combined Sewer Overflow Report) to EGLE.
- The Health Department may advise further testing or action based on the lab results.

Sincerely,

Greg MacIntosh D.P.W. Supervisor

RE: Street Resurfacing Estimates

#### SUMMARY OF REQUEST

On Thursday May 21, 2020 our engineer, Don DeVries of Fleis & VandenBrink Engineering sent us the attached requested estimates for street resurfacing in the Village.

- Hawley & Rankin Street
- Fourth Street
- Pine Street
- Session Road
- First Street (not attached)

Mr. DeVries drove each of the street and photographed them he is recommending a 1½" mill and resurface on each of them and not any chip seals because of their condition. Mr. DeVries stated that we could apply for the MDOT - TEDF Category B grant for Hawley & Rankin, Fourth Street, Sessions Road, and Pine Street (First Street is federal aid eligible under the category D funding and not recommended for Category B funding).

This is the 50% grant that is due June 1, 2020 and is in need of immediate attention.

I have reached out to Joel Fitzpatrick, Transportation Planning Director at WMSRDC and requested that First Street be added to the Rural Task Force's list of projects for category D funding. This is a three-year running list; we would be looking at a 2023 timeframe for funding. There is no actioned needed by the Council regarding First Street, thus why nothing was attached pertaining to the project.

#### FINANCIAL IMPACT

Engineering costs will be covered by the Village. The grant would provide a 50% match on construction costs for Hawley & Rankin, Fourth Street, Sessions Road, and Pine Street

#### **BUDGET ACTION REQUIRED**

None. Per the Village's auditor, as of February 29, 2020 fund balances are as follows:

Major Streets: \$542,212Local Streets: \$868,285
