About Us:

Founded in 1994 and proudly based in Salem, New Hampshire, Original Gourmet Food Company has been delivering bold flavors and standout sweets for over 30 years. We made our mark with our signature 31g **World's Best Lollipop**, a consistent top-performing, #1 front-end SKU recognized by retailers across multiple channels.

Innovation is at the core of who we are. Our patented gravity-pouring process and lollipop machines create a smooth, crystal-clear finish with fewer breaks, while our durable plastic sticks never get soggy or snap. This commitment to quality fueled rapid growth, expanding us from a 9,600 sq. ft. facility to a 60,000 sq. ft. operation serving customers worldwide.

Today, alongside our iconic lollipops, we offer a growing lineup of cookies, wafers, snack cakes, gummies, and candies—everyday favorites and seasonal treats alike. With strong momentum across North America and Europe, Original Gourmet creates products that taste great, perform at retail, and keep consumers coming back for more.
