2021 Holiday *Music & Lights Collection*

Featuring

THOMAS  KINKADEE
Painter of Light.

In the very beginning of his artistic career, Thomas Kinkadee put his entire life savings into the printing of his first lithograph. Inspired not by fame and fortune, Thom found his purpose in the simple act of painting straight from the heart, putting on canvas the natural wonders and images that moved him most.

Though the recipient of countless awards and honors, it was Thom's profound sense of purpose that his art was not just an accessory, but also a ministry, that continues as his legacy. Over the years he shared his joy and used his paints in support of hospitals, schools, and humanitarian relief.

Thom's dearest wish had always been that his artwork would be a messenger of hope and inspiration to others – a message to slow down, appreciate the little details in life, and to look for beauty in the world around us. As millions of collectors around the world sit back and enjoy his artwork in their homes, there is no doubt that Thomas Kinkadee had indeed achieved his goal of Sharing the Light™.
