The Church of the Master

LAFAYETTE and SWINTON AVENUES
NEW YORK 65, N. Y.

The Reverend Charles R. Ausherman
2783 Lafayette Avenue
SYcamore 2-1397

Dear Neighbor:

As you may have observed, the new church building at Lafayette and Swinton Avenues (across the street from P. S. 101) has been completed. We want to thank our nearest neighbors for putting up with any inconveniences caused during this construction.

Now that this Church is built, you may wonder what kind of a Church this is and who goes there and what do they believe?

The Church of the Master is a Reformed Church, which is the oldest religious organization with a continuous ministry in America. We were formerly located for 35 years on Bruckner Boulevard near Logan Avenue. Our church is a Community Church with people of every background; every nationality in Throggs Neck is represented. Our statement of beliefs is contained in the Apostle's Creed, which is known to all of Christendom. We are not an exclusive church, but seek to spread God's kingdom by co-operating with the Christian Church throughout the world.

We believe that the church should;

1. Provide individuals with the opportunities of the historic Christian faith,
2. Deepen the significance of religion in the home,
3. Assist in making our neighborhood a wholesome place to live, play and work.

If you do not have a church home where you are active, you are invited to come to this Church. Everyone is welcome at the Church of the Master. We think you will find this a friendly purposeful Church. Please feel free to use our services and become acquainted with us.

To those who are active as regular worshippers in other local Churches, we wish you God's blessing as you continue to serve Him in your Church.

Our first services in the new Church will be this coming Sunday at 9:30 a.m. and 11:00 a.m.

You are invited to attend our Church dedication on Thanksgiving Sunday, November twenty-second.

MAY GOD BLESS YOU -
