## **Pennsylvania Sports Hall of Fame?**

It is a non-profit organization founded in 1963, to perpetuate the memory of athletes, male or female, who have brought lasting fame and recognition to the State Area through their athletic achievements.

Also eligible for such a distinction are those individuals who have brought similar recognition to Pennsylvania through their contributions to sports in general; in managerial, promotional, or other dedicated services.

The South Central Chapter of the Pennsylvania Sports Hall of Fame is proud to present the 43<sup>th</sup> group of Hall of Fame inductees. The credentials of these individuals establish them as most worthy of this honor. The influence they have had on young men and women has been lasting. The accomplishments achieved in their respective athletic endeavors mark them as truly outstanding sports personalities.

In 43 years, the South Central Chapter of the Pennsylvania Sports Hall of Fame has inducted 230 individuals into its chapter.

In the coming years we look forward to other members of the South Central Chapter being selected into the Pennsylvania Sports Hall of Fame.

The South Central Chapter of the PA Sports Hall of Fame  
Wishes to express its gratitude to

*What is the*  
**South Central Chapter Pennsylvania  
Sports Hall of Fame**

The South Central Chapter of the Pennsylvania Sports Hall of Fame was founded at the urging of William “Bill” Minnick, former head football coach at Shippensburg High School and ardent sports enthusiast in this area. Enlisting the aid of like minded individuals from Carlisle, Chambersburg, Shippensburg and Waynesboro areas, an initial organizational meeting was held in October, 1979, at the University Inn, Shippensburg, Pennsylvania.

Today, the chapter has a membership of 137 dues paying members. A format for meetings has been established to include chapter activities, speakers, films, ect. The chapter holds an annual induction of individuals to the areas Hall of Fame as well as recommendations for the admission to the Pennsylvania State Hall of Fame. The chapter inducted its inaugural group into the Hall of Fame on December 4, 1980.

The primary purpose for the chapter's existence is to grant recognition to individuals from the respective communities whose accomplishments in the area of sports and athletics makes them worthy by admission to the South Central Hall of Fame Chapter. By this action, each individual may then be selected as a candidate for the Pennsylvania State Hall of Fame.

Through its meetings, the Chapter hopes to present a variety of programs to interest and entertain its members, to add to their knowledge and appreciation of all sports, and to sustain their active participation in the chapter. The South Central Chapter is proud that since 2001 it has been able to award more than \$51,000 in scholarship funding to local area high school athletes. The chapter's goal is to promote good will, fellowship and mutual respect among the athletes and sports fans in its communities.

### **Randal "Randy" Parsons**

Randall "Randy" Parsons graduated from Cumberland Valley High School in 1973 and left his mark as a multi-sport athlete in football, wrestling and track and field. After attending State College Area High School where he competed in all three sports, Parsons transferred to Cumberland Valley where he further excelled in his final two years of high school. In his

He attended the recent Paris Olympics, making it 12 Olympic Games that he has attended --

11 of them with his son Kenny. Parsons has also given back to the community and organizations in a lighter role for 40 years, making people of all ages smile --as Santa Claus --including 20 of those years as a professional Santa.

*Dear Kambria,*

As I try to think of what to write, I'm remembering all of our practicing, the drills that were made just for you, the time spent in our conversion van traveling to practice and to games, and of having the pleasure and pride of watching you play. I tried very very hard to support you as your Dad and coach. You would always want to go and practice things - I never said no. It's that drive that has gotten you this accomplishment today.

I'd do it all over again in a minute. You're one of the best, if not the best, all around female soccer players that I've seen. I only wish that the world would have experienced it with me but an ankle injury kept you from proceeding further. Unfortunately, timing is a large factor in sports. It can be good or bad. I've been in the best seat in the house.

Congratulations.

DLY - Daddy

*Dear Kambria,*

Thanks for the memories. I loved watching you play. You were like poetry in motion. Congratulations from your biggest fan.

Love, Mom
