CALL OR GO ONLINE TODAY TO SCHEDULE A **FREE** IN-HOME CONSULTATION (see back for details)

SmartHomz offers custom smart-home solutions to fit our customers' needs. It doesn't cost a lot to get started.

**Let's create yours today.**

- Control water shutoff from your phone – receive alerts if a pipe leaks, freezes, or bursts.
- Remotely control your heating and electric – never arrive to a cold, dark house again.
- Monitor your property from your phone – home security with no monthly fees.
- A video doorbell allows you to use your phone to see who's at the door – you decide who to let in.
- Remotely unlock your doors – no more lost keys or locksmiths. Offer a unique code for each renter or family member.
- Smoke and CO alerts to your phone – what good is an alarm if no one hears it?

**THE POSSIBILITIES ARE ENDLESS...  
AND WE'RE HERE TO HELP YOU GET STARTED.**
