

# SMART HOMZ BUILDER PROGRAM

With the increasing demand for smarter homes, we have developed a program that brings builders and technology professionals together to deliver a one of a kind experience for home buyers.

This program will provide you with financial benefits and a competitive edge over your competition - at the same time creating a truly unique experience for your clients.

## BUILDER BENEFITS

- Attract more potential buyers
- Keep up with technological advances
- Increase client satisfaction
- FREE advertising & marketing tools

## HOME BUYER BENEFITS

- Avoid cost and time associated with retrofitting
- Move in ready smart home
- Dedicated Smart Homz Consultant
- One technology platform built to their needs

Smart homes can attract a 5% premium over standard homes.\*

81% of people believe the presence of smart devices in a home makes it a more attractive purchase.\*

The number of "smart homes" in the U.S. is expected to increase by over 65% in the next four years.\*\*

\* Source: Coldwell Banker Real Estate Survey 2019  
\*\* Source: Statista, September 2019

*The question for builders today shouldn't be "do I need to work with a Home Tech Professional?", it should simply be "which one do I choose?"*

## ABOUT US:
