

TO REMEMBER THE FALLEN . . .

The Greater Plainwell Veterans Memorial (GPVM) came into existence only as the result of determined effort on behalf of the greater Plainwell area veterans and their supporters. After years of detailed planning and preparation, the GPVM was officially dedicated on November 11, 2009, Veterans Day. Every brick ordered and laid was out of love and respect for an individual who served. Every flag raised was in respect for a branch of our military and every plant and flower placed there was done to honor all who served. Today, the GPVM stands as a living tribute to all veterans, their families, and the sacrifices they made for a grateful community and nation.

TO TEACH OUR CHILDREN THE VALUE OF FREEDOM . . .

The Friends of the GPVM, a 501(c)(3) IRS tax-exempt non-profit organization, invite you to be a part of our team. We are always looking for help in all kinds of areas from people with diverse talents, skills, and experiences.
