The meeting was called to order at 9:03 am by Chairperson Dale Larson. Present were Greta Klassen, Dale Larson, and Mike Schwartz, Supervisors; Amanda Ellefson, Clerk; Bruce Sodahl, St. Louis County Assessors Department, and his assistant.

Property owner, Dale Slotness, contact the St. Louis County Assessors office with concern about his taxes being paid on his property. He currently has an easement for a mound system which is located on his property. This mound system is connected to the property across the road which belongs to his daughter. The tank for this mound system is located on the daughter's property. Both Dale's and his daughter's properties are being charged \$4000 for the mound system. Dale has asked that the \$4000 fee be removed from his taxes. Mike made a motion for the \$4000 estimated market assessment be removed from the taxes for Dale Slotness' property. Greta seconded the motion and it passed unanimously.

There were no further inquiries for the LBAE.

Dale made a motion to adjourn the meeting at 10:00 am. Mike seconded the motion and it passed unanimously.

Respectfully submitted,

Amanda Ellefson, Clerk
