November 3, 2025 **SSD QUARTERLY MEETING**

The Meeting was called to order at 6:17 pm by Chairperson Kurt Johnson. Present were Chuck Fosness, Tarah Vitek, Kurt Johnson, Supervisors; Amanda Ellefson, Clerk; Ronda Bernard, Deputy Clerk; Christine Wolvin, Treasurer; Jason Eliefson, and Jon Loye (MSA).

The Board reviewed the Quarter 4 report from AUS.

MSA submitted a memo indicating that the Lind property connections, installation, and pressure test were all acceptable and was hooked up on 10/13/2025. Discussion on the previous cabin, garage, and upcoming construction at the Lind property.

Minnesota Power is placing a transformer box at 9148. Tarah explained her communications with Minnesota Power in having this completed.

AUS recommends a Flow Meter to be installed in (2026). Also recommend to pump out settling tank, EQ tank, and lift station at WWTP (2025).

Discussion on jetting the system (when the last time this occurred), as Eric feels this needs to be completed at the site. AUS ordered a 100' jetter hose in hopes of jetting the lines this week. Once the lines are cleaned out, AUS will attempt to do another set of drawdown testing.

Discussion on something in the wastewater that is prohibiting the drawdown testing to be done appropriately. Tarah made a motion for Jason and Eric to check all the step tanks to determine where the substance is coming from. Chuck seconded the motion and it passed unanimously.

Jon indicated that he was contacted by the County to update the contract between ALSSD and MSA. He will update and send to the Board for signatures.

Chuck made a motion to approve Resolution 11-03-2025-SSD. Kurt seconded the motion and it passed unanimously.

Chuck made a motion to adjourn. Tarah seconded the motion and it passed unanimously. Meeting adjourned at 6:56 pm.

Respectfully submitted,

Amanda Ellefson, Clerk.
