JULY 2010

HAPPY FOURTH OF JULY, 2010!

You should be receiving this issue of Flying Hubcaps just about in time for the celebration of the anniversary of the adoption of the Declaration of Independence by the Continental Congress on July 4th 1776.

That was 234 years ago, and we are still the free and independent country that our forefathers fought and died for. We hope and pray that we can keep it that way. Sometimes, it seems that we all fail to remind ourselves of the significance of that period in the history of our country. We celebrate the holiday with fireworks displays, picnics, and a day off from our normal work schedule. But we often take for granted our freedoms guaranteed by that Declaration of Independence and the Constitution of the United States. Let us remember to remind ourselves this July 4th of how fortunate we are to be citizens of this great country, and to exercise our right to vote to continue to be free to do so.

The following weekend the Central Florida Chapter of the SDC will have its Bi-Monthly meeting, on July 10th, once again at Buddy Freddy's in Plant City. Let's all try to make it, for the food, the fellowship, and to check out the latest Studebaker news. Bring your Studebaker if you can, but more importantly, just come.

Minutes of SDC Central Florida Chapter May 8, 2010 Meeting

The SDC Central Florida Chapter met at Tucson's Grill at 11:50 a.m. May 8, 2010. Ten members and one guest were present.

New members were introduced and welcomed.

It was reported that Dick Bodine died. The executor of the estate, Jean Fruch, sent a letter stating that they want to donate some items to the club. However, Larry has been unable to speak to her.

Rick Courtier has been working on the web site, and has submitted a bill for \$219, asking that his \$10 dues be deducted from that amount. Geoff Smith has written the check and Wayne will mail it along with his membership card.

Geoff reported that we now have \$2,858.07 in the bank.

The Florida State Meet will be near Tallahassee October 22-24, 2010.

Larry talked to Jim Fried who has sold all of his Studebakers, so will not be hosting a future meeting in the Palmetto area.

Larry will talk to Jeff Horvath about his desire to host a meeting in the Venice area.

The July 10 meeting will be at Buddy Freddy's in Plant City.

Wayne Studebaker and Dave Meachum will arrange for the September 11 meeting to be in the North Pinellas—South Pasco area. Larry will be in Tennessee the month of September.

The November meeting will probably be our "normal" picnic. Larry will talk to Ed Prince about hosting it again.

Following a meal enjoyed by all, the meeting adjourned at 1:00 p.m.

Secretary
