

Time is a great healer
As my friends all say to me
It don't take no great teacher
To help me to see
That all my days with you
Were the best of my life
You were always true
You set my heart on fire

All those years ago
And I'm still dreaming of our love
Dreaming of our love
All those years ago
And I'm still dreaming of our love
Dreaming of our love

The grass is always greener
How I saw things way back then
I was just a seeker
Time and time again
Looking for the perfect
In a world of make believe
Thinking I would find it
I was so naïve

All those years ago
And I'm still dreaming of our love
Dreaming of our love
All those years ago
And I'm still dreaming of our love
I'm dreaming of our love

Now I sit and wonder
Why I ever made you go
For life was never better
Never better than the times I spent with you
