

PORTAGE LOGISTICS IS PROUD TO ANNOUNCE:

THE MILES FOR KIDS INITIATIVE!!!

MILES FOR KIDS is our commitment to community. From Day 1, Portage Logistics has set aside 1¢ for every mile you entrust us to move your freight. Just think, for every 1 million miles, that means \$10,000 to charities and/or organizations that directly service children! Soon we will have a running tally on our website that will show our progress.

Children are our future. If companies give back to their communities, we can show children love, and a glimpse of the world the way we want it to be. We will be working together with vetted charities and organizations whose benefactors are children.

If you would like more information on this initiative feel free to reach out to Jack or Jeff directly. We would be delighted to discuss this exciting program with you! Also, if you have a suggestion for a charity, please share! We will be selecting a new charity every quarter, so we value your ideas! As we grow, this initiative will reach “Here, Near, and Far” but for now we are focusing on the “Here”. This quarter’s **MILES FOR KIDS** donation will go to:

180 Degrees – The Hope House

Hope House is a six-bed emergency shelter for youth ages 14 to 19 who are homeless or at risk of homelessness in the Southwest Twin Cities metro area. Hope House turns young people’s lives around by nurturing self-sufficiency and independence, with a goal of family reconciliation and reunification. Yours in community,

Portage Logistics - Jack Stewart and Jeff Stewart
