Dear Customer,

A417 Missing Link – Overnight Closures and Weekend Closures

Kier Transportation is working on behalf of National Highways to improve the existing A417 Missing Link. We're writing to inform you that as part of the ongoing improvements to the network, there will be closures in place overnight during the week and weekend closures which may affect your journeys:

The A417 will be closed between the A46 Brockworth junction and the Air Balloon roundabout overnight and during the weekend on the following dates:

- From 9pm on Saturday 21 June to 6am Monday 23 June
- Sunday 29 June to Friday 4 July between 9pm and 6am
- From 11pm on Friday 4 July to 6am Monday 7 July

These closures are required while we carry out resurfacing activities, white lining and install vehicle restraint systems. We understand that some noise from these works could potentially be heard from nearby properties, and we'd like to apologise in advance for any inconvenience this may cause.

Access between the A417, Leckhampton Hill, and the A436 via the Air Balloon Roundabout will remain open, including entry to Crickley Hill Country Park.

Access for emergency services will be fully maintained during the closures.

Fully signposted diversion routes will be in place during the closure. Please follow the official diversion route on page two of this letter and not satnavs.

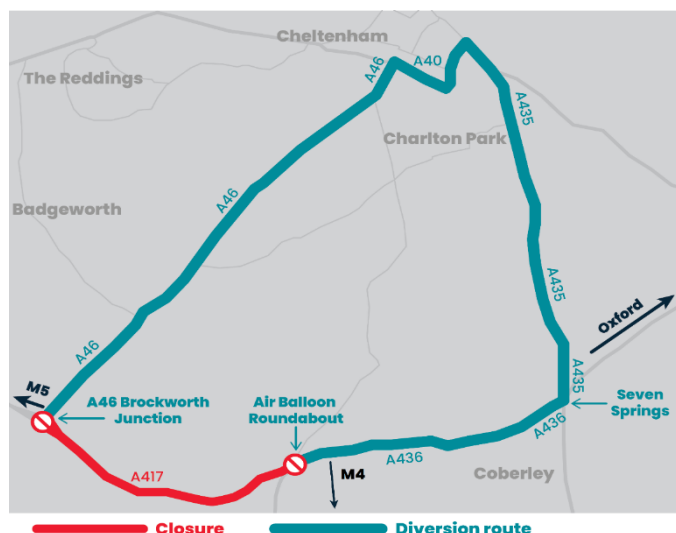

Please note that these works are subject to change due to weather conditions or unforeseen circumstances.
