

COOKIE POLICY

1. Introduction

Fox Red Consultants Limited ("we", "us", or "our") uses cookies and similar technologies to help provide, protect, and improve our website and services. This Cookie Policy explains what cookies are, how we use them, and the choices you have regarding their use.

This policy should be read alongside our [Privacy Policy](#), which explains how we use personal information.

2. What are Cookies?

Cookies are small text files that are placed on your computer, smartphone, or other device when you visit a website. They are widely used to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

Cookies do many different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improving the user experience. They can also help to ensure that adverts you see online are more relevant to you and your interests.

3. Types of Cookies We Use

We use the following types of cookies on our website:

3.1 Strictly Necessary Cookies

These cookies are essential for the website to function properly and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in, or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

3.2 Analytical/Performance Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies, we will not know when you have visited our site, and will not be able to monitor its performance.

3.3 Functionality Cookies

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third-party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

3.4 Targeting/Advertising Cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information, but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

4. Third-Party Cookies

In addition to our own cookies, we may also use various third-party cookies to report usage statistics of the service, deliver advertisements on and through the service, and so on. For example, we use Google Analytics to help us understand how visitors engage with our website.

5. Managing Your Cookie Preferences

You have the right to choose whether or not to accept cookies. However, they are an important part of how our services work, so you should be aware that if you choose to refuse or remove cookies, this could affect the availability and functionality of the services.

Most web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove or reject browser cookies. To do this, please follow the instructions provided by your browser which are usually located within the "Help", "Tools" or "Edit" facility.

You can also manage your cookie preferences through the cookie consent banner that appears when you first visit our website.

6. Changes to this Cookie Policy

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal, or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

7. Contact Us

If you have any questions about our use of cookies or other technologies, please contact us at:
