EPCOT's International Flower and Garden Festival

Amazing displays, great food and live entertainment!

Spring is almost here and that means it is time for EPCOT's International Flower and Garden Festival. The event begins March 1, 2023 and runs through July 5, 2023. This is a great time to visit the parks!

I was lucky enough to be at Disney last year in late April and got to experience the festival first hand. We were treated to unique and stunning displays. We also ate our way around Epcot and experienced all the amazing flavors. We also made sure to stop and listen to the live music!

Epcot is a special place and one of my favorite parks, The festival just adds to the magic!

Let's talk snacks, food and saving money!

Let's face it...as amazing as the food is at Disney and universal - it can be pricey. One way to save for those must have sit-down meals is to bring your own snacks and water to the parks.

Water and packaged snacks are allowed in both Universal and Disney. While hard-sided coolers are not allowed in the parks, small soft-sided cooler are allowed. Loose ice is not allowed so be sure to have reusable ice packs or if possible freeze your water ahead of time.

What is the best way to get these snacks and water...grocery delivery.! Both Universal and Disney resorts allow for grocery delivery and if you have a vehicle head to a grocery store and stock up.

A quick water tip: most places that have fountain soda also offer free ice water. This is offered at both Disney and Universal. Or, bring a water bottle and fill up at a water filling station or water fountain!
