Tips for Large Animals

- Ensure all animals have some form of identification.
- Evacuate animals earlier, whenever possible. Map out primary and secondary routes in advance.
- Make available vehicles and trailers needed for transporting and supporting each type of animal. Also make available experienced handlers and drivers.
- Ensure destinations have food, water, veterinary care and handling equipment.
- If evacuation is not possible, animal owners must decide whether to move large animals to a barn or turn them loose outside.
