APRIL TRANSPORT TRIP

And another group heads for Maine! Thanks again to our awesome transport team – Jackie Hamby (Chairman), Mike & Jenny Bell (drivers) and foster moms Sue Adams and Yolanda Sanchez . On Wednesday, 4/14, all critters were bundled into our HHS transport van and ferried to Acworth where they met up with their faithful Road Trip Home couriers and began their ride to New England. We have no doubt that, as usual, these little boys and girls will be adopted within the week. What a wonderful partnership!

HHS VOLUNTEERS AT OUR LOCAL SENIOR CENTER

On Monday, April 19, volunteers from HHS served birthday treats to our neighbors at the Habersham Senior Center. What a joy! We were happy to learn that most of the folks in attendance were proud and happy pet parents and they gladly shouted out the names of their pets when asked. Glad Simmons shared our vision and purpose in a brief presentation. This was a wonderful opportunity to educate our local residents about the joys and responsibilities of pet ownership while also “giving back” to this community that does so much to support our efforts. Thanks to our Senior Center for allowing us to be a part of the April birthday celebration!

KITTY CARRIERS TO THE RESCUE!

It's "kitten season" all over the country and this is the time of the year that our local shelter usually gets overrun with expectant and birthing cat-moms and their litters. HHS stepped up to supply 100 cardboard kitty carriers, along with scratching pads to keep those little paws occupied. OUCH!
