

## HABERSHAM HUMANE SOCIETY

### Updating Our Activities in May 2021

## YES, OF COURSE WE HAD A TRANSPORT..or TWO!

Our super-duper Foster/Transport Coordinator, Jackie Hamby, had her hands full this month with TWO transport trips to Acworth to meet up with Road Trip Home. On May 19, Mike and Jenny Bell took a bevy of beauties one step closer to their forever homes in Maine. Shout-out to foster moms Sue Adams and Ashley Chidester for caring for these little guys and keeping them safe.

The "Mamas and the Papa"

Say "thanks" to Sue, Jackie and Jenny!

Once again on May 26, new HHS foster mom Abbey Dondanville turned mama Iris Mallory and her babies Williams and Lily over to Claudia Jessup for their ride to Acworth. All these kitties will be quickly adopted from Cape Anne Animal Aid in Massachusetts who welcomes them with open arms. Thanks to RTH for their partnership!

## TREATS? THEY'RE EASY-PEASY!

I've become addicted to making doggy treats in my kitchen! No, I'm not a dog-Mom, but the neighbor dogs know what to expect when they visit. It's so easy and inexpensive and way more nutritious to mix these up at home rather than buy them. I prefer to use whole wheat flour when I have it, but white flour works just fine. I find that applesauce and baby food fruits are real winners to the canine taste buds. Here's a recipe that you can whip up in 30 minutes ... and you'll be an official hero to your pup!

### **Peanut Butter & Apple Sauce Cookies for Dogs**

Ingredients: 3 c whole wheat flour

- 2 cups whole grain oats
- 1 cup peanut butter (smooth or chunky, your choice)
- 1 cup unsweetened applesauce
- 1 tsp baking powder
- 1/4-1/2 cup olive oil or coconut oil

1. Preheat oven to 350 degrees and cover 2 baking sheets with parchment paper.
2. In a mixing bowl, combine all ingredients well.
3. Knead dough on a lightly floured surface. If the dough is too loose and crumbly, you can add a 1/4-1/2 cup olive oil or coconut oil at this point.
4. Use a rolling pin to roll the dough to about 1/4 inch thick and then cut into shapes with cookie cutters. *If you don't want to use cookie cutters, simply make small dough balls.*
5. Place cookies on baking sheet, approximately 1/2 inch apart.
6. Bake in preheated oven for approximately 25 minutes or until lightly browned.
7. Let cool and then serve. **NOTE:** Store uneaten cookies in an airtight container in the fridge for up to one week.
