ABOUT US

The Agatha Jackson Life Enrichment Network (AJLEN) is a 501(c)3 Non-Profit Corporation, operating as a collaborative network promoting educational success for students in Jamaica at elementary schools in academically and financially disadvantaged areas.

MISSION

Empowering elementary school students in Jamaica by providing educational resources and tools to enable them to learn, thrive, and achieve academic success.

GOALS

- Provide educational materials & resources
- Promote good study habits and healthy behaviors

MOTTO

"Labor for learning before you grow old, for learning is better than silver and gold. Silver and gold will vanish away, but a good education will never decay."

by Paul Willis

A LETTER FROM THE BOARD CHAIR

Dear Friends and Colleagues,

I hope you are doing well and off to a great year!

On behalf of the Board of Directors of the Agatha Jackson Life Enrichment Network, "AJLEN," I am pleased to present our 2025 annual report. We serve with a sense of urgency and a spirit of integrity, focusing on AJLEN's mission to meet the needs of partner schools and others in need of educational assistance. The overarching goal is to support students who attend elementary schools in academically and financially disadvantaged areas of Jamaica.

In 2025, AJLEN's accomplishments included, but were not limited to, a major fundraising walkathon and book drive. Friends, family, and other supporters participated in a 5-mile mile walk, barbecue, music and wonderful camaraderie. The donated books were utilized to refurbish the library at our 2025 selected school. Proceeds from the walkathon purchased a large shipment of various school supplies which we shipped to our selected school in Jamaica, prior to the start of the September 2025 school year. In addition, President Gloria Jackson-McLean visited our four selected schools in February 2025 and introduced our scholarship liaison Miss Terry Ann Rose to the teachers and six grade students. They did a presentation about AJLEN and the scholarship application process. Furthermore, AJLEN awarded a total of six scholarships to graduating 6th grade students who met the criteria of financial need and academic achievement. The scholarships provided financial support to assist the awardees as they begin their high school journey.

We proceed with a commitment to increase and expand our reach to gain new partners and additional resources to make a positive impact in the lives of children, especially those in rural areas where resources are limited or non-existent. The AJLEN team hopes that as the students reach their full potential, they will continue the cycle of supporting others. We look forward to working with our partners, friends, and community members in 2026 for another productive year, hoping our efforts will exceed those of the past year.

Many thanks to our President, for her vision and the opportunity to participate in this meaningful work. Thanks to our board members and all our partners for their generous contributions and support. None of this would have been possible without your continued engagement, service, and support. Your dedication and commitment to this crucial work is acknowledged and appreciated! Please know that your commitment is making a positive impact in the lives of future leaders.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Bryan".

Barbara Bryan
Chair, Board of Directors
