

Our mission is simple. We want to provide Medical Alert IDs to newly diagnosed children and teens with Type 1 diabetes. With a new diagnoses of Type 1 Diabetes comes so many things to worry about . We want this to be one less thing. Safety for Diabetic children is our #1 concern. When your child is away from home, you can rest assured that if an emergency arises emergency personnel will know just what to do for your child. Medical Alert IDs remove the guess work and every Type 1 Diabetic child and teen should have one.

If your child is recently diagnosed, please contact us at angel-ids@earthlink.net and we'd be happy to provide a new ID for
