

COVID-19 Policy

The health and safety of our customers and employees is our highest priority. Below is a listing of the measures we are taking to not only comply with state and federal regulations and guidelines, but also to ensure that we can continue to maintain our high quality services and programming while minimizing the risk to both paddlers and employees alike. If you have any questions or concerns, please feel free to reach out!

SOCIAL DISTANCING

- ▶ We are limiting the number of rentals available at any given time. We encourage you to use our convenient online booking system to secure your rental.
- ▶ Each paddler must sign our online waiver once per season. Please do so prior to arriving for your paddle. The waiver can be found both in your confirmation email and directly on our website.
- ▶ Please arrive PADDLE READY. To ensure a smooth flow of our operation and prevent crowding, we ask that you arrive at check in ready to paddle.
 - ▶ Please apply sunscreen and be dressed to paddle prior to checking in
 - ▶ Please leave any items you don't want to take on the water in your car or at home.
 - ▶ Please ensure each paddler in your group has signed the waiver prior to checking in at the location.
- ▶ When you arrive, we request that you stay 6-ft apart for minimum social distancing.

LIFEJACKETS (PFDS)

- ▶ If you own your own US Coast Guard approved PFD, we encourage you to bring it with you to use on your paddle.
- ▶ Sea Turtle SUP will be sanitizing all rental PFDs after each use, our staff will direct you to where you can leave your rental PFD after your paddle.

GETTING FITTED FOR EQUIPMENT

- ▶ Someone from our team will direct you to the appropriate PFD and paddle for your adventure! We will demonstrate how to properly adjust your equipment.

FACE COVERINGS

- ▶ Sea Turtle SUP Staff will wear a face covering when interacting with you on land, and we ask that you do the same. Once paddlers are on the water and a safe distance apart, you may choose to remove your face covering.

HYGIENE, CLEANING & DISINFECTING PROTOCOLS

- ▶ We will have hand sanitizer available for both employees and customers in our trailer.
- ▶ Paddleboards, PFDs, Paddles and Leashes will be sanitized after each use.

SEA TURTLE SUP STAFFING AND OPERATIONS

- ▶ All team members have been trained regarding social distancing, hygiene, and cleaning/disinfecting protocols
- ▶ Staff with COVID19-like symptoms will not report to work
- ▶ Staff temperature checks are conducted prior to each shift
- ▶ Staff will keep a daily log of all paddlers, including name and contact info, to assist the local Board of Health with contact tracing should it be needed.
