Fertilizer Blends

Spring 20-13-15-6

25Lb - \$34.95 / 55LB - \$59.95

This higher potassium fertilizer promotes flowering and fruit production. It is essential for the plant's strength, winter hardiness, and disease resistance.

Spring 46-0-0

25Lb - \$37.95 / 55LB - \$64.95

Urea provides the highest percent of nitrogen fertilizer, at 46%. It is used as an ingredient in blends or for heavy feeding crops.

Fall 8-24-24

25Lb - \$34.95 / 55LB - \$59.95

This higher potassium fertilizer promotes flowering and fruit production. It is essential for the plant's strength, winter hardiness, and disease resistance.

Newly Planted 11-52-0

25Lb - \$37.95 / 55LB - \$64.95

A primary basic element fertilizer used to supply phosphorus and ammonia nitrogen. It will hasten root growth and maturity and make plants more winter hardy. This is an excellent blend for newly planted lawns, trees and shrubs.

Buffalo Mixture – Summer Pasture \$6.95 LB

35% Meadow Bromegrass, Fleet
25% Timothy, Alma
20% Meadow Foxtail
10% Creeping Red Fescue
10% Canada Bluegrass

Buffalo do not like cereal pastures such as oats, nor do they like high protein forages like clover, alfalfa or other legumes. In winter they prefer to paw through the snow to graze the fescue rather than eating any hay. As such it is suggested to incorporate creeping red fescue into the pasture.

Sheep Mixture \$6.95 LB
