

# **PAYING ESTIMATED TAXES ONLINE**

## **FEDERAL ESTIMATES**

With the IRS phasing out paper checks, the most secure and efficient methods for paying estimated taxes (Form 1040-ES) online include IRS Direct Pay (free from bank accounts) or your Online IRS Account.

Both options are available on the IRS website: [IRS.gov](https://www.irs.gov)

When prompted for Reason for Payment, you should choose Estimated Tax and apply payment to 1040ES.

1. After choosing Make a payment → choose Direct Pay with bank account → Pay individual tax → Make a payment
2. Complete the Tax Information screen
3. Reason for payment → select Estimated tax
4. Apply Payment to 1040ES
5. Tax Period for Payment – 2026
6. Verify Identity

## STATE ESTIMATES

### ▪ MD

For paying Maryland estimated taxes online, the recommended method is using the Comptroller of Maryland's website to make secure, direct debit payments. The Maryland iFile system allows you to schedule all four quarterly payments at once. The website is [interactive.marylandtaxes.gov/individuals/IndivLogin/default.asp](https://interactive.marylandtaxes.gov/individuals/IndivLogin/default.asp)

**OR** on the MD website ([marylandcomptroller.gov](https://marylandcomptroller.gov)) → choose to Make a Payment → select Estimated Payments → under the Other Online Options, choose *Make a personal estimate* → finally, it will bring you to the logon screen for the individual taxpayer online service center, where you can register or logon if already registered.
